PRESIDENT'S REPORT

The festive season is here with the Club Christmas Party held on 15 November at the Town and Country Club - what a great night and thanks must go to Club Captain and Social Convenor Steve and Jim.

At last months meeting we discussed in some length a new club jacket. Mary-Jean brought along a sample of a black jacket. This was well paraded by Wayne Phillips. The meeting decided to go with this jacket. There were several orders placed on the night with the jacket being offered to all members. Please see magazine for details. There was also talk of a club subsidy which was put on hold until we know the numbers of jackets being ordered. Since the meeting it has been brought to my attention that some members are not happy with the style of jacket. As this was passed by the meeting this can only be changed if brought up at a Club meeting. I look forward to any further discussion on this matter. Feel free to contact me on this or any other matter.

Another great Club Run to Oamaru the other weekend, great day out and see report enclosed. While in Oamaru we caught up with our Oamaru members and went around to Trevor Jopson's place to have a look at his MKIII Ute restoration project. Its starting to take shape and looking great. I have been helping Trevor source parts so contact Restoration buddy if you need help.

The club has had a busy year to date and Jim and Steve are sorting out events for 2009 - get in and support their effort.

The MKII I hoped to have finished by Christmas 2007 is still sitting in my garage unfinished but progress is happening and it will be finished before 2009 - but you never know !!!

Keep safe and drive carefully and have a Merry Christmas and a Happy New Year.

CLUB CAPTAIN'S REPORT

Well it has been a busy month with the Xmas dinner then club run to Oamaru the next day.

A great night held by all who attended the Xmas dinner and the band was great.

Great day in Oamaru for their Victorian Fete. A must do for next year.

Holiday season almost upon us so if you are driving anywhere take care on the roads.

If you are taking the Z car for a drive over the silly season and feel like company give a few members a ring as you never know people maybe looking for something to do.

Remember New Years Day parade in Fairlie as it's always a good day out.

Have a great Xmas and new year and will see you all next year.

Stephen

CHRISTMAS DINNER

On a very warm Saturday night we went to the Town & Country Club for our Christmas dinner.

There was 26 of us who enjoyed a very nice meal. We had a very intelligent Santa Claus (Stephen Rouse) who entertained us through out the evening with pass the parcel, bon bon's and lollies. Bob's still upset Santa forgot his bike again. Coffee and Christmas Cake finished off our meal.

After the meal we went downstairs to boogie the night away to Solid Gold.

A good night was had by all.

Geraldine Arts and Plants Market Day

I arrived on a warm Saturday morning to catch up with Colin Johnstone to photograph his car for the next members article.

Colin was busy organising the static display in the old council car park, and he said I bet you didn't know there was this many old cars around the Geraldine area.

He was right and what a great range of cars and in great order. This I gather was to keep the men busy while the ladies made a bee line for all the stalls and garden displays.

I had a great day and there was plenty of variety for everyone to look at, purchase or just sit on

the grass and listen to the great music.

And yes I did come home with yet more plants for fill my garden.

Looking forward to next year.

Mary-Jean

The car is still in very original condition having only travelled 72,000 miles. The upholstery & carpets are original but the car has been repainted

We have fitted 4 new tyres, overhauled the brakes and a few minor repairs along with the usual tuneups & servicing.

Our Zephyr is certainly not a pristine showroom car but rather is an honest, reliable, original car that has given us many hours of pleasure and fun motoring. The only dislike Trish has of the car is that it has no heater but with a blanket for her and a bourbon for me the cold draughts are soon for forgotten.

Colin and Trish Johnstone

Colin and Trish Johnstone's Mk II Zephyr

We purchased our car back in 1998 from John and Glenis Hull of Timaru. This came about after a long search for a suitable motorable vehicle that could handle modern day traffic better than the model T being restored in our shed. The purchase of the car included a truckload of spares and that we also join the SCZZ club and attend the International Convention held in Timaru at Easter 1999.

We attended the Timaru convention and had a fantastic time of which we still have fond memories. We also went to the Invercargill convention where southern hospitality was excellent.

Attended the Alexandra blossom Festival, and attended two Southern Connections one in Christchurch, and this year in Ashburton both being amazing weekends away with other Zephyr members.

Victorian Fete - Club Run 16 November

After getting up at 6.00am to watch the All Blacks play we arrived at the south end of Timaru at 9.00am and with 7 other cars.

Ken Copland, Wayne and Carolyn Phillips, Malcolm and Christine Stewart, Stephen and Karen Rouse, Graham Jarvis and Debbie, Bruce and Judith Bishop we convoyed down to Oamaru

and parked up close to the events. Diane and Alistair Emslie came from Kurow to join us for the day.

What a great array of events were happening during the day, Oamaru Stone sawing, a trophy was up for grabs and boy can they saw. Dancing in the streets, music, food stalls, blacksmith display, train rides, horse and gig rides and great food and drink.

We all had lunch together and Alan Sim and Grace arrived from Mosgiel and joined us. After lunch we had our Oamaru members Trevor and Yvonne Jopson, Ivan and Pauline Jeffs and Bevan and Anne Cook join us so all in all we had 10 cars participate in our Run.

On the way home we called in at the Jopson's for some more car talk and then headed home via the Riverstone Cafe for coffee.

What a great day and certainly will be the calendar for next year.

Phil and Mary Jean
