About the Pagan Colouring Book

This book has been developed to provide resources for Pagan Parents. Feel free to photocopy or print sections of this book for wider distribution in local Pagan newsletters or magazines.

If you do use any of these pictures in a newsletter or magazine, please use the following credit somewhere:

“Colouring Book by Laren – <http://www.geocities.com/Athens/2962/>”

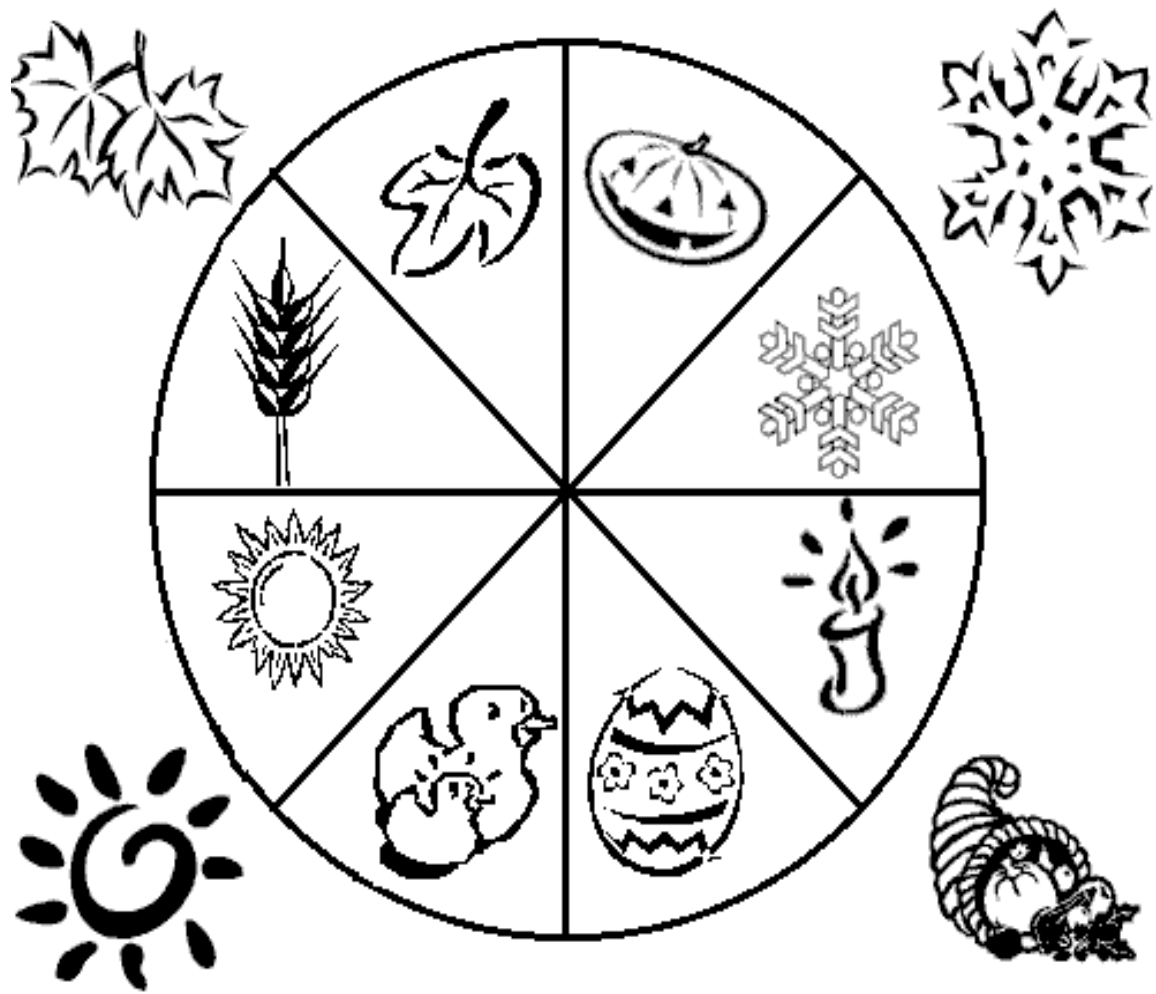

Also, a copy of the publication it appeared in would be nice (but not necessary), we don't get a big variety of Pagan magazines in Australia!

However, it may not be reproduced in part or in its entirety for profit. If you wish to do so, please contact me at: laren@geocities.com.

If you have any suggestions for things that could be included, if you would like to make a contribution etc please feel free to contact me.

MP,
Laren
