Master's Message

Brethren,

Now is the time to start planning for the new year. Our lodge can only be successful if we work together as a team towards the same goal. In the coming months we will have many chances to work as a team and make Bridgeton 80 a strong and vibrant lodge.

Brethren, we need ideas. We then need to discuss those ideas as a group, and carry those ideas out to our agreed plan. This will make our Lodge as good as it can be.

We need to plan on visiting other lodges, to learn and help in degree work, and promote the brotherhood of Bridgeton Lodge #80.

Finally brethren, do good unto all on a daily basis, practice being nice to every human being, and be noticed for what we as brethren stand for: Brotherly Love, Relief and Truth.

Fraternally yours,

WM Bob Klob

From the Secretary

Brethren,

It is important to keep the Lodge informed as to your status and whereabouts. If you have moved, or are having your mail forwarded, please drop the secretary a line. Please note that Grand Lodge doesn't notify the subordinate Lodges when they receive an address change, so you must contact us directly with that information.

Fraternally,

WB Dave Fritchey
