

## 1-Jailbreak

There was a friend of mine on murder  
And the judge's gavel fell  
Jury found him guilty  
Gave him sixteen years in hell  
He said "I ain't spending my life here  
I ain't living alone  
Ain't breaking no rocks on the chain gang  
I'm breakin' out and headin' home  
Gonna make a jailbreak  
And I'm lookin' towards the sky  
I'm gonna make a jailbreak  
Oh, how I wish that I could fly  
All in the name of liberty  
All in the name of liberty  
Got to be free  
Jailbreak, let me out of here  
Jailbreak, sixteen years  
Jailbreak, had more than I can take  
Jailbreak, yeah"  
He said he'd seen his lady being fooled with  
By another man  
She was down and he was up  
He had a gun in his hand  
Bullets started flying everywhere  
And people started to scream  
Big man lying on the ground  
With a hole in his body  
Where his life had been  
But it was -  
All in the name of liberty  
All in the name of liberty  
I got to be free  
Jailbreak, jailbreak  
I got to break out  
Out of here  
Heartbeats they were racin'  
Freedom he was chasin'  
Spotlights, sirens, rifles firing  
But he made it out  
With a bullet in his back

## 2-HIGH VOLTAGE

You ask me 'bout the clothes I wear  
And you ask me why I grow my hair  
And you ask me why I'm in a band  
I dig doin' one night stands  
You wanna see me do my thing  
All you gotta do is plug me into high  
I said high  
High voltage rock 'n' roll  
You ask me why I like to dance  
And you ask me why I like to sing  
And you ask me why I like to play  
I got to get my kicks some way  
You ask me what I'm all about  
Come and let me hear you shout high  
I said high  
High voltage rock 'n' roll

### 3- HELLS BELLS

I'm a rolling thunder, a pouring rain  
I'm comin' on like a hurricane  
My lightning's flashing across the sky  
You're only young but you're gonna die

I won't take no prisoners, won't spare no lives  
Nobody's putting up a fight  
I got my bell, I'm gonna take you to hell  
I'm gonna get you, Satan get you

#### CHORUS:

Hell's Bells Yeah, Hell's Bells  
You got me ringing Hell's Bells  
My temperature's high, Hell's Bells

I'll give you black sensations up and down your spine  
If you're into evil you're a friend of mine  
See my white light flashing as I split the night  
'Cause if good's on the left, then I'm stickin' to the right

I won't take no prisoners, won't spare no lives  
Nobody's puttin' up a fight  
I got my bell, I'm gonna take you to hell  
I'm gonna get you, Satan get you

#### CHORUS

Hell's Bells, Satan's comin' to you  
Hell's Bells, he's ringing them now  
Hell's Bells, the temperature's high  
Hell's Bells, across the sky  
Hell's Bells, they're takin' you down  
Hell's Bells, they're draggin' you around  
Hell's Bells, gonna split the night  
Hell's Bells, there's no way to fight, yeah  
Ow, ow, ow, ow Hell's Bells

But you ain't got the guts  
She keeps naggin' you night and day

Leave her alone  
It's time you made a stand  
For a fee I'll be happy to be  
Your back door man

## 5-Thunderstruck

(Thunder) (x10)  
I was caught  
In the middle of a railroad track (Thunder)  
I looked 'round,  
And I knew there was no turning back (Thunder)  
My mind raced  
And I thought what could I do? (Thunder)  
And I knew  
There was no help, no help from you (Thunder)  
Sound of the drums  
Beatin' in my heart  
The thunder of guns!  
Tore me apart  
You've been - thunderstruck!  
Rode down the highway  
Broke the limit, we hit the ton  
Went through to Texas, yeah Texas  
And we had some fun  
We met some gals,  
Some dancers who gave us good times  
Broke all the rules, played all the fools  
Yeah, yeah, they, they, they blew our minds  
And I was shakin' at the knees  
Could I come again please.  
Yeah the ladies were too kind  
You've been - thunderstruck, thunderstruck  
Yeah yeah yeah, thunderstruck  
Yeah  
Oh, thunderstruck, yeah  
Now we're shaking at the knees  
Could I come again please.  
Thunderstruck, thunderstruck  
Yeah yeah yeah, thunderstruck  
Thunderstruck, yeah, yeah, yeah  
Said yeah, it's alright  
We're! Doing fine  
Yeah, it's alright  
We're! Doing fine  
So fine  
Thunderstruck, yeah, yeah, yeah,  
Thunderstruck, thunderstruck, thunderstruck  
Whoa baby, baby, thunderstruck  
You've been thunderstruck, thunderstruck  
Thunderstruck, thunderstruck, thunderstruck  
You've been thunderstruck

## 6-Hard As A Rock

A rollin' rock, electric shock  
It gives a lickin' that doesn't stop  
She line 'em up, push you 'round  
Smokin' rings going 'round and 'round  
Her hot potatoes  
Will elevate you  
Her bad behavior  
Will leave you standing proud

Hard as a rock

### CHORUS

Hard as a rock  
Harder than a rock  
Hard as a rock  
Harder than a rock

The lightnin' rod, strike it hot  
Gonna hit you like the Rushmore rock  
No nicotine, no pipe dreams  
So low and dirty, it's darn right mean  
Hell elevator  
I'll see you later  
No I ain't gonna take it  
I'm bustin' out  
Hard as a rock

### CHORUS

## 7-Love Bomb

Love bomb, love bomber  
It's a comin' on strong  
I can't take it any longer  
Come a rockin' through the door

Crusin' the sky, let's fly  
Blowin' on down and die  
Open your bays, get ready, it's bomb's away!

Love bomb, love bomber  
Don't scare no bother  
Where the size doesn't matter  
Come long, short or badder

Crusin' the sky, let's fly  
Blowin' on down and die  
Open your bays and drop those bombs away!

Love bomb, comin' on,  
Love bomb  
Love bomb, get it hard  
Love bomb

[Love bomb, get it on  
Love bomb, gimme some  
Love bomb, get it hot  
Love bomb, yeah, yeah, yeah

## 8-The Honey Roll

Honey roll over, and lettuce on top  
Strap you to the bed, and make you rock  
Run it up the flag, send it on home  
Push you to the wall, and make you moan

She's mine, take what I want  
Get what I need, don't take it all  
[So] Don't you hide, gonna blow my mind  
C'mon taste it honey cause she feel fine

## T.N.T.

Oi, oi, oi, oi, oi, oi, oi, oi, oi, oi, oi, oi, oi, oi, oi

See me ride out of the sunset  
On your colour TV screen  
Out for all that I can get  
If you know what I mean  
Women to the left of me  
And women to the right  
Ain't got no gun  
Ain't got no knife  
But don't you start no fight

### CHORUS:

'Cause I'm T.N.T. I'm dynamite  
T.N.T. and I'll win the fight  
T.N.T. I'm a power load  
T.N.T. watch me explode

I'm dirty, mean and mighty unclean  
I'm a wanted man  
Public enemy number one  
Understand  
So lock up your daughter  
Lock up your wife  
Lock up your back door  
And run for your life  
The man is back in town  
Don't you mess me 'round

### CHORUS

T.N.T. Oi, oi, oi  
T.N.T. Oi, oi, oi  
T.N.T. Oi, oi, oi  
T.N.T. Oi, oi, oi  
T.N.T. Oi  
I'm dynamite (oi, oi)  
T.N.T. Oi,  
And I'll win the fight,  
T.N.T.  
I'm a power load  
T.N.T.  
Watch me explode!

## 10-Black Night

Black night is not right,  
I dont feel so bright,  
I dont care to sit tight.  
Maybe Ill find on the way down the line  
That Im free, free to be me.  
Black night is a long way from home.  
I dont need a dark tree,  
I dont want a rough sea,  
I cant feel, I cant see.  
Maybe Ill find on the way down the line  
That Im free, free to be me.  
Black night is a long way from home.  
Black night, black night,  
I dont need black night,  
I cant see dark night.  
Maybe Ill find on the way down the line  
That Im free, free to be me.  
Black night is a long way from home

## 11-Smoke On the Water

We all came out to montreux  
On the lake geneva shoreline  
To make records with a mobile  
We didnt have much time  
Frank zappa and the mothers  
Were at the best place around  
But some stupid with a flare gun  
Burned the place to the ground  
Smoke on the water, fire in the sky

They burned down the gambling house  
It died with an awful sound  
Funky claude was running in and out  
Pulling kids out the ground  
When it all was over  
We had to find another place  
But swiss time was running out  
It seemed that we would lose the race  
Smoke on the water, fire in the sky

We ended up at the grand hotel  
It was empty cold and bare  
But with the rolling truck stones thing just outside  
Making our music there  
With a few red lights and a few old beds  
We make a place to sweat  
No matter what we get out of this  
I know well never forget  
Smoke on the water, fire in the sky

## 12-Por Que a Gente é Assim?

Mais uma dose?  
É claro que eu estou a fim  
A noite nunca tem fim  
Por que que a gente é assim?

Agora fica comigo  
E vê se não desgruda de mim  
Vê se ao menos me engole  
Mas não me mastiga assim

Canibais de nós mesmos  
Antes que a terra nos coma  
Cem gramas, sem dramas  
Por que que a gente é assim?

Mais uma dose?  
É claro que eu tô a fim  
A noite nunca tem fim  
Baby, por que a gente é assim?

Você tem exatamente  
Três mil horas pra parar de me beijar  
Hum, meu bem, você tem tudo, tudo  
Pra me conquistar

Mas você tem apenas um segundo  
Um segundo pra aprender a me amar  
Você tem a vida inteira, baby, a vida inteira  
Pra me devorar  
Pra me devorar!

Mais uma dose?  
É claro que eu tô a fim  
A noite nunca tem fim  
Por que a gente é assim

### 13-Jardins da Babilônia

Suspenderam os jardins da Babilônia  
E eu prá não ficar por baixo  
Resolvi botar as asas prá fora, porque  
Quem não chora dali, não mama daqui, diz o ditado  
Quem pode, pode, deixa os acomodados que se incomodem

Minha saúde não é de ferro mão  
Mas meus nervos são de aço  
Prá pedir silêncio eu berro, prá fazer barulho eu mesma faço, ounão

Mas pegar fogo nunca foi atração de circo  
Mas de qualquer maneira  
Pode ser um caloroso espetáculo, então  
O palhaço ri dali, o povo chora daqui, e o show não pára  
E apesar dos pesares do mundo  
Vou segurar esta barra

## 14-~~Meus~~ Bons Amigos

Meus bons amigos, onde estão  
Notícias de todos quero saber  
Cada um fez sua vida de forma diferente  
Às vezes me pergunto: Malditos ou inocentes?

Nossos sonhos, realidades  
Todas as vertigens, crueldades  
Sobre nossos ombros aprendemos a carregar  
Toda a vontade que faz vingar  
No bem que fez pra mim  
Assim, assim, me fez feliz, assim

O amor sem fim  
Não esconde o medo  
De ser completo e imperfeito

Meus bons amigos, onde estão  
Notícias de todos quero saber  
Sobre nossos ombros aprendemos a carregar  
Toda a vontade que faz vingar  
No bem que fez prá mim  
Assim, assim, me fez feliz, assim

O amor sem fim  
Não esconde o medo  
De ser completo e imperfeito

O amor sem fim  
Não esconde o medo  
De ser completo e imperfeito

## 16-Paranoid

Finished with my woman 'cause she couldn't help me with my mind  
people think I'm insane because I am frowning all the time  
All day long I think of things but nothing seems to satisfy  
Think I'll lose my mind if I don't find something to pacify

Can you help me? Occupy my brain?  
Oh yeah

I need someone to show me the things in life that I can't find  
I can't see the things that make true happiness, I must be blind

Make a joke and I will sigh and you will laugh and I will cry  
Happiness I cannot feel so love to me is so unreal

And so as you hear these words telling you now of my state  
I tell you to enjoy life I wish I could but it's too late

=====

## 17-Even Flow

Freezin', rests his head on a pillow made of concrete, again  
Oh, feelin' maybe he'll see a little better, set a days, ooh yeah  
Oh, hand out, faces that he sees time again ain't that familiar,  
oh yeah  
Oh, dark grin, he can't help, when he's happy looks insane, oh yeah

Even flow, thoughts arrive like butterflies  
Oh, he don't know, so he chases them away  
Someday yet, he'll begin his life again  
Life again, life again...

Kneelin', looking through the paper though he doesn't know to read, ooh yeah  
Oh, prayin', now to something that has never showed him anything  
Oh, feelin', understands the weather of the winters on its way  
Oh, ceilings, few and far between all the legal halls of shame, yeah

Even flow, thoughts arrive like butterflies  
Oh, he don't know, so he chases them away  
Someday yet, he'll begin his life again  
Whispering hands, gently lead him away  
Him away, him away...  
Yeah!  
Woo...ah yeah...fuck it up...

Even flow, thoughts arrive like butterflies  
Oh, he don't know, so he chases them away  
Someday yet, he'll begin his life again, yeah  
Oh, whispering hands, gently lead him away  
Him away, him away...  
Yeah!  
Woo...uh huh...yeah, yeah, fuck em up again...

## 18-Good Golly Miss Molly

Good golly, Miss Molly, sure like to ball.  
Good golly, Miss Molly, sure like to ball.  
When you're rockin' and a rollin'  
Can't hear your momma call.  
From the early early mornin' till the early early night  
You can see Miss Molly rockin' at the house of blue lights.  
Good golly, Miss Molly, sure like to ball.  
When you're rockin' and a rollin'  
Can't hear your momma call.

Well, now momma, poppa told me:  
"Son, you better watch your step."  
If I knew my momma, poppa, have to watch my dad myself.  
Good golly, Miss Molly, sure like to ball.  
When you're rockin' and a rollin'  
Can't hear your momma call.

I am going to the corner, gonna buy a diamond ring.  
Would you pardon me if it's a nineteen carat golden thing.  
Good golly, Miss Molly, sure like to ball.  
When you're rockin' and a rollin'  
Can't hear your momma call.

Good golly, Miss Molly, sure like to ball.  
Good golly, Miss Molly, sure like to ball.  
When you're rockin' and a rollin'  
Can't hear your momma call

## 19-Aqualung

Sitting on the park bench --  
eyeing little girls with bad intent.  
Snot is running down his nose --  
greasy fingers smearing shabby clothes.  
Aqualung  
Drying in the cold sun --  
Watching as the frilly panties run.  
Aqualung  
Feeling like a dead duck --  
spitting out pieces of his broken luck.  
Whoa, aqualung

Sun streaking cold --  
an old man wandering lonely.  
Taking time  
the only way he knows.  
Leg hurting bad,  
as he bends to pick a dog-end --  
he goes down to the bog  
and warms his feet.

Feeling alone --  
the army's up the road  
salvation a la mode and  
a cup of tea.  
Aqualung my friend --  
don't you start away uneasy  
you poor old sod, you see, it's only me.  
Do you still remember  
The December's foggy freeze --  
when the ice that  
clings on to your beard was  
screaming agony.  
And you snatch your rattling last breaths  
with deep-sea-diver sounds,  
and the flowers bloom like  
madness in the spring.

Larararala, larararararara

Hoje eu desafio o mundo  
Sem sair da minha casa  
Hoje eu sou um homem mais sincero  
E mais justo comigo  
Hoje eu desafio o mundo  
Sem sair da minha casa  
Hoje eu sou um homem mais sincero e  
Mais justo comigo

Podem os homens vir que  
Não vão me abalar  
Os cães farejam o medo,  
Logo não vão me encontrar  
Não se trata de coragem  
Mas meus olhos estão distantes  
Me camuflam na paisagem  
Dando um tempo,  
Pra cantar

Me deixa, que hoje eu tô de  
Bobeira, bobeira  
Me deixa, deixa, deixa

Que hoje eu tô de  
Bobeira, bobeira

Hoje eu desafio o mundo  
Sem sair da minha casa

## 22-By The Way

Standing in line  
To see the show tonight  
And there's a light on  
Heavy glow  
By the way I tried to say  
I'll be there  
Waiting for  
Dani the girl  
Is singing songs to me  
Beneath the marquee  
Overload

Steakknife... Card Shark... Con Job...  
Boot Cut

Skin that flick  
She's such a little DJ  
Get there quick  
By street but not the freeway  
Turn that trick  
To make a little leeway  
Beat that nic  
But not the way that we play

Dog Town...  
Blood Bath...  
Rib Cage...  
Soft Tail...

Standing in line  
To see the show tonight  
And there's a light on  
Heavy glow  
By the way I tried to say  
I'd be there  
Waiting for

Black Jack...  
Dope Dick...  
Pawn Shop...  
Quick Pick...

Kiss that Dyke  
I know you want to hold one  
Not on strike

But I'm about to bowl one  
Bite that mic  
I know you never stole one  
Girls that like  
A story so I told one

Song Bird...  
Main Line...  
Cash Back...  
Hard top...

Standing in line  
To see the show tonight  
And there's a light on  
Heavy glow  
By the way I tried to say  
I'd be there...  
Waiting for  
Dani the girl  
Is singing songs to me  
Beneath the marquee  
Of her soul

By the way I tried to say  
I'd be there  
Waiting for

Oh ah, kissed ya then I missed ya  
Oh ah, kissed ya then I missed ya  
Oh ah, kissed ya then I missed ya  
Oh ah, kissed ya then I missed ya  
Oh ah, kissed ya then I missed ya  
Oh ah, kissed ya then I missed ya  
Oh ah, kissed ya then I missed ya  
Oh ah

Standing in line  
To see the show tonight  
And there's a light on  
Heavy glow  
By the way I tried to say  
I'd be there...  
Waiting for  
Dani the girl  
Is singing songs to me  
Beneath the marquee

Of her soul  
By the way I tried to say  
I know you  
From before

Standing in line  
To see the show tonight  
And there's a light on  
Heavy glow  
By the way I tried to say  
I'd be there  
Waiting for

## 23-Easily

Easily let's get carried away  
Easily let's get married today  
Shao Lin shouted a rose  
From his throat  
Everything must go  
A lickin' stick is thicker  
When you break it to show  
Everything must go

The story of a women on the morning of a war  
Remind me if you would exactly what we're fighting for

Calling calling for something in the air  
Calling calling I know you must be there

Easily let's get caught in a wave  
Easily we won't get caught in a cave  
Shao Lin's shakin' for the sake  
Of his soul-Everything must go  
Lookin' mighty tired of  
All the thing that you own  
Everything must go

I can't tell you who to idolize  
You think it's almost over  
But it's only on the rise  
Calling calling  
For something in the air  
Calling calling I know you must be there

The story of a women on the morning of a war  
Remind me if you will exactly what we're fighting for

Throw me to the wolves because  
Because there's order in the pack  
Throw me to the sky  
Because I know I'm coming back

Shao Lin's shakin' for the sake  
Of his soul-Everything must go  
Lookin' mighty tired of  
All the thing that you own  
Everything must go

The story of a women on the morning of a war

Remind me if you will exactly what we're fighting for

Calling calling for something in the air  
Calling calling I know you must be there

I don't want to be your little research monkey boy  
The creature that I am is only going to destroy

Throw me to the wolves  
Because there's order in the pack  
Throw me to the sky  
Because I know I'm coming back

## 24 Puteiro Em João Pessoa

A vida me presenteou com dois primos já marmanjo  
um, muito justo, era o Augusto e o safado era o Berssange  
Numa tarde ensolarada toda aquela criançada tomando refrigerante...  
Com a família embebedada foi mais fácil armar uma bimbada  
prum recém adolescente  
Pois foi Berssange, primo velho e cancrado, que com muito do cuidado  
chegou pra Augustinho e disse: "tu visse?"  
Dudu já tá alucinado, já é meio caminho andado  
pra rolinha comer alpiste  
E pro rapaz não ficar triste vamo onde as nêga são ativa  
não há em toda João Pessoa lugar melhor que o Roda Viva"  
E foi pra lá que nós rumamos quase nos desenfreamos  
Nóis num tinha nenhum plano e os cabra foram saindo  
e eu atrás ía gritando:  
"onde é que cês tão me levando  
voltar e buscar mainha ela ficou no bar sozinha"

"Ô menino abobado deixa mainha pra painho  
Venha comigo e Augustinho  
tu vai ser inaugurado  
pois tu sabe,na família,nunca teve afrescalhado.  
Chegar no Roda Viva tu vai ser homenageado"

Quando eu cheguei no recinto o forró já tava bravo  
Bando de nêgo suado dançando com as rapariga  
e o forró comia solto e veio um véio com os óio torto  
de tanto beber cachaça e disse:  
"Essa menina é massa,vai te deixar arretado"

Meu primo me olhou de lado e disse:"coitado"  
Era uma quenga fedorenta,daquelas da mais nojenta  
mas se você não aguenta você a leva para o quarto  
Ela pegou no meu pau pôs a boca e depois ficou de quatro...

Foi num puteiro em João Pessoa,  
eu descobri que a vida é boa  
foi minha primeira vez...

## 26 Ideologia

Meu partido  
É um coração partido  
E as ilusões  
Estão todas perdidas  
Os meus sonhos  
Foram todos vendidos  
Tão barato  
Que eu nem acredito  
Ah! eu nem acredito...

Que aquele garoto  
Que ia mudar o mundo  
Mudar o mundo  
Frequenta agora  
As festas do "Grand Monde"...

Meus heróis  
Morreram de overdose  
Meus inimigos  
Estão no poder  
Ideologia!  
Eu quero uma prá viver  
Ideologia!  
Eu quero uma prá viver...

O meu prazer  
Agora é risco de vida  
Meu sex and drugs  
Não tem nenhum rock 'n' roll  
Eu vou pagar  
A conta do analista  
Prá nunca mais  
Ter que saber  
Quem eu sou  
Ah! saber quem eu sou..

Pois aquele garoto  
Que ia mudar o mundo  
Mudar o mundo  
Agora assiste a tudo  
Em cima do muro  
Em cima do muro...

Meus heróis  
Morreram de overdose  
Meus inimigos  
Estão no poder  
Ideologia!  
Eu quero uma prá viver  
Ideologia!  
Prá viver...

Pois aquele garoto  
Que ia mudar o mundo  
Mudar o mundo  
Agora assiste a tudo  
Em cima do muro

## 27-Jeremy

At home  
drawing pictures  
of mountain tops  
with him on top  
lemon yellow sun  
arms raised in a V  
and the dead lay in pools of maroon below

Daddy didn't give attention  
to the fact  
that mommy didn't care  
King Jeremy the wicked  
ruled his world

Jeremy spoke in class today  
Jeremy spoke in class today

Clearly i remember  
picking on the boy  
seemed a harmless little fuck  
but we unleashed a lion  
gnashed his teeth and  
bit the recess ladies breast  
how could i forget?  
and he hit me with a surprise left  
my jaw left hurting  
dropped wide open  
just like the day  
like the day i heard

Daddy didn't give affection  
and the boy was something  
that mommy wouldn't wear  
King Jeremy the wicked  
ruled his world

Jeremy spoke in class today  
Jeremy spoke in class today

Try to forget this  
try to erase this  
from the black board

## 28-Alive

Son, she said, have I got a little story for you  
What you thought was your daddy was nothin' but a...  
While you were sittin' home alone at age thirteen  
Your real daddy was dyin', sorry you didn't see him, but I'm glad we  
talked...

Oh I, oh, I'm still alive  
Hey, I, oh, I'm still alive  
Hey I, oh, I'm still alive  
Hey...oh...

Oh, she walks slowly, across a young man's room  
She said I'm ready...for you  
I can't remember anything to this very day  
'Cept the look, the look...  
Oh, you know where, now I can't see, I just stare...

I, I'm still alive  
Hey I, oh, I'm still alive  
Hey I, oh, I'm still alive  
Hey I, oh, I'm still alive  
Ooh...yeah yeah yeah...oh...oh...

Is something wrong, she said  
Well of course there is  
You're still alive, she said  
Oh, and do I deserve to be  
Is that the question  
And if so...if so...who answers...who answers...

I, oh, I'm still alive  
Hey I, oh, I'm still alive  
Hey I, oh, I'm still alive  
Yeah I, ooh, I'm still alive  
Yeah yeah yeah yeah yeah yeah

## 29-Jumping Jack Flash

I was born in a cross-fire hurricane  
And I howled at my ma in the driving rain,  
But it's all right now, in fact, it's a gas!  
But it's all right. I'm Jumpin' Jack Flash,  
It's a Gas! Gas! Gas!

I was raised by a toothless, bearded hag,  
I was schooled with a strap right across my back,  
But it's all right now, in fact, it's a gas!  
But it's all right, I'm Jumpin' Jack Flash,  
It's a Gas! Gas! Gas!

I was drowned, I was washed up and left for dead.  
I fell down to my feet and I saw they bled.  
I frowned at the crumbs of a crust of bread.  
Yeah, yeah, yeah  
I was crowned with a spike right thru my head.  
But it's all right now, in fact, it's a gas!  
But it's all right, I'm Jumpin' Jack Flash,  
It's a Gas! Gas! Gas!  
Jumping Jack Flash, its a gas

### 31-Fool For Your Loving

I was born under a bad sign,  
Left out in the cold,  
I'm a lonely man who knows  
Just what it means  
To lose control.  
But, I took all the heartache  
And turned it into shame,  
Now I'm moving, moving on  
And I ain't taking the blame.

Don't come running to me  
I know I've done all I can,  
A hard loving woman like you  
Just makes a hard loving man.

So I can say it to you, babe,  
I'll be a fool for your loving no more,  
A fool for your loving no more.  
I'm so tired of trying,  
I always end up crying,  
A fool for your loving no more,  
I'll be a fool for your loving no more.

I'm tired of hiding my feelings,  
You left me lonely too long.  
I gave my heart, and you tore it apart,  
Oh, baby, you done me wrong.

=====

Don't come running to me  
I know I've done all I can,  
A hard loving woman like you  
Just makes a hard loving man.

So I can say it to you baby,  
I'll be a fool for your loving no more,  
Fool for your loving no more.  
I'm so tired of trying,  
I always end up crying,  
A fool for your loving no more  
I'll be a fool for your loving no more.  
I'll be a fool for your loving no more,  
no more, no more.

(Solo)

So I can say it to you baby,  
I'll be a fool for your loving no more,  
Fool for your loving no more.  
I'm so tired of trying,  
I always end up crying,  
Fool for your loving no more.  
A fool for your loving no more,  
No more, no more.

Fool for your loving no more...

A Fool for your loving no more

### 321 Can't Explain

Got a feeling inside (Can't explain)  
It's a certain kind (Can't explain)  
I feel hot and cold (Can't explain)  
Yeah, down in my soul, yeah (Can't explain)

I said ... (Can't explain)  
I'm feeling good now, yeah, but (Can't explain)

Dizzy in the head and I'm feeling blue  
The things you've said, well, maybe they're true  
I'm gettin' funny dreams again and again  
I know what it means, but

Can't explain  
I think it's love  
Try to say it to you  
When I feel blue

But I can't explain (Can't explain)  
Yeah, hear what I'm saying, girl (Can't explain)

Dizzy in the head and I'm feeling bad  
The things you've said have got me real mad  
I'm gettin' funny dreams again and again  
I know what it means but

Can't explain  
I think it's love  
Try to say it to you  
When I feel blue

But I can't explain (Can't explain)  
Forgive me one more time, now (Can't explain)

I said I can't explain, yeah  
You drive me out of my mind  
Yeah, I'm the worrying kind, babe  
I said I can't explain

### 33-Got You On My Mind

I've got you on my mind, I'm feeling kind of sad and low.  
Got you on my mind, feeling kind of sad and low.  
I'm wondering where you are, wondering why you had to go.

Tears begin to fall every time I hear your name.  
Tears begin to fall every time I hear your name.  
But since you went away, nothing seems to be the same.

No matter how I try,  
My heart just don't see why  
I can't forget you.  
If ever it should be  
You want to come back to me,  
You know I'd let you.

Repeat First Verse

Chorus

Repeat First Verse

I'm wondering where you are, wondering why you had to go.  
I'm wondering where you are, wondering why you had to go

### 37-Take The Power Back

In the right light, study becomes insight  
but the system that dissed us teaches us to read and write  
so-called facts are fraud  
they want us to allege and pledge and  
bow down into their god  
lost the culture, the culture lost  
spun our minds and through time  
ignorance has taken over  
we gotta take the power back  
bam, here's the plan  
mother fuck uncle sam  
step back i know who i am  
raise up your ear, i'll drop the style and clear  
it's the beats and lyrics they fear  
the rage is relentless  
we need a movement with a quickness  
you are the witness of change and to counteract  
we gotta take the power back

Chorus:

we gotta take the power back  
C'mon! C'mon!  
we gotta take the power back

the present curriculum  
i put my fist in 'em  
eurocentric every last one of 'em  
see right through the red, white and blue disguise  
with lecture i puncture the structure of lies  
installed in our minds and attempting to hold us back  
we've got to take it back  
'cause holes in our spirit are causin tears and fears  
one-sided stories for years and years and years  
i'm inferior? who's inferior?  
yeah, you needa check the interior  
of the system who cares about only one culture  
and that is why  
we gotta take the power back

Chorus

the teacher stands in front of the class  
but the lesson plan he can't recall  
the students eyes dont perceive the lies  
bouncing off every fucking wall

his compusure is well kept  
i guess he fears playing the fewl  
the complacent students sit and listen to the bullshit  
that he learned in skewl

europa, aint my rope to swing on  
cant learn a thing from it  
yet we hang from it  
gotta get it, gotta get it together then  
like the motherfucking weathermen  
to expose and close the doors on those who try  
to strangle and mangle the truth  
'cause the circle of hatred continues to react  
we gotta take the power back

chorus

NO MORE LIES

### **38-Sweet Virginia**

Wading through the waste stormy winter  
And theres not a friend to help you through  
Trying to stop the waves behind your eyeballs  
Drop your reds drop your greens and blues

Thank you for your wine, california  
Thank you for your sweet and bitter fruits  
Yes, Ive got the desert in my toenail  
And hid the speed inside my shoe

But come on come on down sweet virginia  
Come on honey child I beg of you

Come on come on down you got it in you  
Got to scrape that shit right off your shoes

### 39-One Way Street

Yeah... (soft)

Hey look out yonder what's that I see  
Well that old bogus honey coming after me  
I thought you told her I was out of town  
I wonder how she knowed I was hangin' around  
Say listen baby don't go wastin' yo time  
You keep a comin' round you'll hear the same old line  
You got a thousand boys you say you need'em  
You take what's good for you and i'll take my freedom'Cause lately it's been so  
hard now to make ends meet  
Ooooooh....yes it has  
And honey your head's a one way street  
And I gotta go the other way  
Ha ha ha ha ha ha ...I thought I knew her my cagey lady  
How could my sunshine be so damn shady  
She'll say she'll love to talk a conversation  
But i'm the one that makes my situation  
This one way city that I thought I knew  
It's such a pity honey that's it for youBecause lately it's been so hard now to make  
ends meet  
And honey your head's a one way street  
I just gotta go the other wayHa ha ha ha ha

Don't say I cop a 'tude it's all forgotten  
It's just you're much too rude your fruits are rotten  
You know I work so hard to keep it alive  
Now all I hear from you is nothin' but jiveBecause lately it's been so hard now to

And I gotta go the other way ay ay... yes I do... yeahYeah... oh lately it's been so

Yeah you're foolin' everybody you meet  
I said your head's like a one way street  
And you're foolin' everybody you meet  
I said your head's like a one way street

Well you're foolin' everybody but me  
I said your head's like a one way street  
And you're foolin' everybody you meet  
I said you're head's like a one way street  
When you're foolin' everybody you meet  
I said you're head's like a one way street  
When you're foolin' everybody you meet  
I said you're head's like a one way street  
You got to get yourself back on your feet  
Well... no baby fooling everybody you meet  
Oh oh oh... oh oh oh... oh... oh... oh...

Chewing everybody  
Booting everybody  
Loving everybody  
Licking everybody you meet

## 40- All Righ Now

Whoa-oh-oh-oh-woha  
There she stood in the street  
smilin' from her head to her feet;  
I said, "Hey, what is this?  
Now maybe, baby,  
maybe she's in need of a kiss."  
I said, "Hey, what's your name?  
Maybe we can see things the same.  
"Now don't you wait, or hesitate.  
Let's move before they raise the parking rate."  
All right now, baby, it's a-all right now.  
All right now, baby, it's a-all right now.  
(Let me tell you now)  
I took her home to my place,  
Watchin' every move on her face;  
She said, "Look, what's your game?  
Are you tryin' to put me to shame?"  
I said "Slow, don't go so fast, don't you think that love can last?"  
She said, "Love, Lord above,  
now you're tryin' to trick me in love."  
All right now, baby, it's a-all right now.  
All right now, baby, it's a-all right now

#### 41-All Along The Watchtower

There must be some kind of way out of here,  
said the joker to the thief  
theres too much confusion,  
I cant get no relief.

Business men they drink my wine,  
plow men dig my Earth,  
none with a level on their mind,  
nobody out of this world.

No reason to get excited,  
the thief he kindly spoke,  
there are many here among us,  
who think that life is but a joke,  
but you and I, we've been through that,  
and this is not our fate,  
so let stop talking falsely now,  
the hour is getting late.

All along the watchtower,  
princes kept the view,  
while all the women came and went,  
barefoot servants too.

Outside in the cold distance,  
a wild cat did growl,  
two riders were approaching,  
and the wind began to howl.

All along the tower,  
everywhere,

everywhere I went...

## 42-Purple Haze

Purple Haze are in my brain  
Lately things don't seem the same  
Acting funny but I don't know why  
Excuse me while i kiss the sky

Purple haze all around  
don't know if I'm coming up or down  
am i happy or in misery  
What ever it is that girl putt a spell on me

HELP ME ... HELP ME oh i don't know

Purple haze was all in my eyes  
don't know if it's day or night  
you've got me blowin',blowin' my mind  
is it tommorrow or just the end of time

who knows?  
help me  
yeah  
come on know  
tell me  
tell me

### 43-Sunday, Bloody Sunday

I can't believe the news today  
I can't close my eyes and make it go  
away.  
How long, how long must we sing this  
song?  
How long, how long?  
'Cos tonight  
We can be as one, tonight.

Broken bottles under children's feet  
Bodies strewn across the dead-end  
street.  
But I won't heed the battle call  
It puts my back up, puts my back up  
against the wall.

Sunday, bloody Sunday.  
Sunday, bloody Sunday.  
Sunday, bloody Sunday.  
Sunday, bloody Sunday.  
Oh, let's go.

And the battle's just begun  
There's many lost, but tell me who  
has won?  
The trenches dug within our hearts  
And mothers, children, brothers,  
sisters  
Torn apart.

Sunday, bloody Sunday.  
Sunday, bloody Sunday.

How long, how long must we sing this  
song?  
How long, how long?  
'Cause tonight  
We can be as one, tonight.  
Sunday, bloody Sunday.  
Sunday, bloody Sunday.

Wipe the tears from your eyes  
Wipe your tears away.  
I'll wipe your tears away.  
I'll wipe your tears away.  
I'll wipe your bloodshot eyes.  
Sunday, bloody Sunday.  
Sunday, bloody Sunday.

And it's true we are immune  
When fact is fiction and TV reality.  
And today the millions cry  
We eat and drink while tomorrow they  
die.

The real battle just begun  
To claim the victory Jesus won  
On...

Sunday, bloody Sunday  
Sunday, bloody Sunday
