

A Very Big Thank You!!!!

Members of the Men's Senior Golf League are pleased to take this opportunity to express a sincere "Thank You" to Marven Moyles for building the new Memorial Bench that is located at number one tee. The Memorial Bench contains the names of the deceased members of the Men's Senior League. This bench is beautifully built, nicely stained and looks great. Well done Marven! Also, a special thanks to Dave Berek, who, through his business contacts at Murray Brothers Lumber Company, procured the wood. It is members like Marven and Dave who make Borden Golf Club a great place to play golf.

Only a golfer would understand

A husband and wife are on the 9th green when suddenly she collapses from a heart attack! "Help me dear," she groans to her husband. The husband calls 911 on his cell phone, talks for a few minutes, picks up his putter and lines up his putt. His wife raises her head off the green and stares at him. "I'm dying here and you're putting?" "Don't worry dear," says the husband calmly, "they found a doctor on the second hole and he's coming to help you." "Well, how long will it take for him to get here?" she asks feebly. "No time at all," says her husband.

"Everybody's already agreed to let him play through."
