

# Lord Protect My Soul

Orig Key E played with capo 5

<sup>C</sup>  
Down Life's highway, alone I've tried  
I've always put, my trust in God<sup>G</sup>  
But you'll find out, that your silver and gold<sup>C</sup>  
Won't pay the price, to protect your soul<sup>G</sup> <sup>C</sup>

<sup>C</sup>  
Oh I want the Lord (Oh I want the Lord)  
To protect my soul (to protect my soul)  
To lead me on (to lead me on)<sup>F</sup>  
To the heaven's shore (to the heaven's shore)<sup>C</sup>  
My life down here (my life down here)  
Will soon be o'er (will soon be o'er)  
And I want the Lord (and I want the Lord)<sup>G</sup>  
To protect my soul (to protect my soul)<sup>C</sup>

<sup>C</sup>  
There's many a church, down life's highway<sup>G</sup>  
Where people sing, rejoice and pray  
But won't you stop and try, and join the fold<sup>C</sup>  
And ask the Lord, to protect your soul<sup>G</sup> <sup>C</sup>  
(chorus)

<sup>C</sup>  
When this old world, is doomed in sin<sup>G</sup>  
You'll cry oh Lord, please let me in  
But it'll be too late, to join the fold<sup>C</sup>  
And ask the Lord, to protect your soul<sup>G</sup> <sup>C</sup>  
(chorus)
