He Touched Me

G7          C
Shackled by a heavy burden
G7          C
Neath a load of guilt and shame
F            C
Then the hand of Jesus touched me
G           G7           C
And now I am no longer the same

G7          C
He touched me, Oh he touched me
F            C
And oh the joy that floods my soul
C           G7           C            F
Something, happened, and now I know
C           G               C
He touched me and made me whole

G7          C
Since I met this blessed Savior
G7          C
Since He cleansed and made me whole
F            C
I will never cease to praise Him
G           G7           C
I’ll shout it while eternity rolls
