Dear Geneseo Football Fan:

Geneseo football has had over 45 consecutive years of winning seasons due to the dedication of not only players and coaches, but the community as a whole. By joining the booster club you can show your support of the program. Your generosity will be much appreciated by the players, coaches and administration involved with the Green Machine. The booster club provides many things for the program and the majority of revenue comes from memberships and fundraisers such as the Hog Roast. All money is spent enhancing the football program, 5th grade through 12th grade. Zero finances are spent for administrative cost. Our credo is "How can we help?"

Here are some of the things that your money could be used for in 2009:

- Raise funding for 2010 projects
- Financial contribution to the Youth Football program
- Financial contribution to Kitchen Quarterback Club (Varsity Football Moms)
- Provide DVDs for Dan Pearson's high light film
- Financial contribution for meals for away games
- Financial contribution to help players pay for various football camps
- Financial contribution to fund an academic monitor for the high school program
- Financial contributions to help fund banquets middle school thru high school
- Financial contribution to GHS Cheerleaders

The continued success of the Geneseo Football Booster Club depends on the support of its members.

Memberships run from July 1st – June 30th. Please take a moment to join. You will receive a new Geneseo Football Booster window decal with your membership. You can follow the "Green Machine" online at **geneseofootball.com**

In order to have your name included in this year's football program we must have your membership by no later than July 31st

"Help make the 2009 year a memorable one"
