Your New Chapter Director  
Randy Dezarn

**Happy New Year!**

It's a new year with new things happening. You're going to hear the word 'New' a lot around the chapter in the coming weeks. It's just because there are a lot of 'new' things going on.

There will be 'new' folks standing at the front during the monthly gatherings; 'New' things in the newsletter. And, hopefully, 'new' places to ride to and 'new' things to do. And that's where you, the member comes in.

At the Christmas party I passed out index cards and asked everyone to be thinking about changes you want to see in your chapter. This includes ideas for rides, things we do at the chapter gatherings, anything! Some of you have already passed some ideas on to me and I can't wait to share with the rest of you.

But not everything we do will be new. We have a lot of tradition in our chapter. One thing that folks from other chapters have asked me is are we going to have the Barber Shop Quartet back. That's a tradition I plan to carry on each February. So, be looking forward to the singers at the February gathering!

We won't be having a gathering in January since its New Years Day, But we will be having a planning meeting on January 19<sup>th</sup>.

Be sure to bring all those 'new' ideas you've been working on.

Randy D.

**CHAPTER A2 WILL CANCEL their JANUARY MEETING**

**From Your New Assistant Chapter Director  
Peggy Grotberg**

Since this is my first newsletter article as the Assistant Chapter Director, I would like to use it to say thanks to Randy for trusting me with this job. As far as I understand it, my job is to assist Randy in whatever he may need regarding the Chapter. In other words, just be an assistant. I think I can handle that. So far, I have had the opportunity to attend a few weekends of Leadership Training. It was interesting, and useful. I don't intend to become a leader, just an assistant, but it was good training anyway.

Another responsibility of the job is to write a newsletter article once a month, but there are really no guidelines as to what I am supposed to write about. My intention is to use this space to introduce all of the other officers and staff members of our chapter, and to explain what their positions are intended to be. I will choose at least one different office each month, interview that person, and find out what their job entails. Then I will use this article to tell you about it. This way, maybe we can all learn about the different offices together. After I have been through all of the different offices, then I will figure out something else to write about. Until then, we'll all learn together.

See you at the meeting! Peggy

**Your New Rider ED EDUCATOR:  
Gerry Grotberg**

First, let me say Thank-You for the opportunity to serve as your Chapter Educator for another term. Randy and I have talked and we are on the same page as far as the rider education program for the chapter. There are some ideas we have but we both agree that as it's your chapter, we want your input. I will get with each of you in the coming months to get your suggestions.

I want to thank Randy for the great job he did as the CE. It is evident that he is dedicated to the Safety Program and the education of the chapter members. He has given me a great program to build on. This is a great place to start from.

I will leave you with a final thought. Think TOP GUN.....

Ride Safe! Gerry

## TIM'S TECH TIP

Everyone should be installing all that "Safety Chrome" that Santa dropped down the chimney!! Since we are working on the Wing anyway we could do some of those odd jobs that was put off during the peak riding weather. Also, if you may not be riding for a while during this time of the year, you may want to do some preventive measures to ensure that the bike is protected and ready to ride when the opportunity to ride arises!

I am guilty of letting my bike sit since the Butner ride, because of sickness and lack of time!! If the bike is going to sit for very long, here are some things we should do for our rides. An oil change will get the impurities out of the engine, that could cause harm while sitting in there.

For a longer down time a gas stabilizer, ran through the fuel system may be a good idea. If you start the engine occasionally, be sure to run it long enough to get the moisture out of the crankcase and exhaust system. Keeping check on the water level in the battery while using a Battery Tender type charger, will have the battery ready.

### FROM YOUR COUPLE OF THE YEAR

**100 REASONS \$\$\$\$\$\$\$\$ TO GET OFF YOUR CAN!!**

### HAPPY NEW YEAR

We want to wish each of our extended family of Gold Wings a Happy New Year. This year it is our goal to extend our help to others in the community. With your help we hope to help feed the seniors in our community.

By participating in our **GET OFF YOUR CAN** campaign we can help feed the 3600 senior citizens in Davidson County who are considered at poverty level. These older adults need not go to bed hungry or wonder where their next meal will come from, if we just take the time to buy a few cans food each month. You will also have a chance to win \$100 at our drawing in December 2008. So bring those cans of food to our meetings this year.

Thanks to all the A2 members who brought the stuffed animal to our annual Christmas Party. We collected 40 stuffed animals and they were delivered to Lexington Memorial Hospital. Those animals will mean some child will have a little more security in their time of need. We hope this can be a project that we can do a least twice a year in addition to our annual Teddy Bear Ride which we usually have in the summer.

If you know of another project that will help our community, please let us know. There is always someone in need, and we as Gold Wings are known for caring for others.

On the Road Again

Sonny and Betty

Starting in February , a chance for \$100 CAN BE YOURS, all you have to do is bring a non-perishable food item to our meetings. For every item you bring to the monthly meeting you will be given a ticket towards a \$100.00 drawing in December 2008. The more you bring the more chances you have to win. Let other Chapters know of our drive, the more we have the more we can give. We plan to give this food to the **Pastors Pantry** in Lexington, which is an organization to assist the elderly. Many elderly people don't have enough to eat, usually because of limited income. Any food we can give them, could mean the difference between having a good meal today or going to bed hungry tonight. So let's remember to **BRING THAT FOOD**.

\*\*\*\*\*

The Pastor's Pantry is a Non-profit organization that serves all of Davidson County as a Senior Adult Food bank. Their goal is to provide a month's worth of groceries to the approximately 3,200 poverty stricken seniors living in Davidson county. The Pastor's pantry is affiliated with the Second Harvest Food bank and last year supplied Davidson County seniors with enough food to prepare 292,441 meals.

# 100 Reasons to "GET OFF YOUR CAN"

**GWRRRA**  
**2008**  
**NC Chapter A-2**  
**Canned Food Drive**

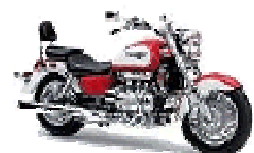

You do not have to be present to win, so our visiting members will be able to have a chance for the \$100 also.

The food will be given to the Pastors Pantry each month This is an organization for the elderly, in Lexington. There are also other organizations that would benefit from our generosity if we collect more food than they need.
