MEMBER ONLY FUN SHOW OCTOBER 27TH, SATURDAY AT 1 PM.

Nina, Kendra, & Sherry have been working hard on plans for this. This is a member only show with the following guide lines. If you are an individual member you may bring one guest, if you are a family member you may bring two guests. As the cost is sponsored by the club, these guide lines were set to try to control numbers somewhat. The very first class is the costume class. At the last meeting it was voted to put the costume show into this show; therefore; members have the time they deserve for their efforts. There will be five distinct classes and you may only enter in one of the classes. The classes are as follows: Funniest, Scariest, Prettiest, Sports, and Movie/TV. The parade of costumes will open the show and then the specific class will be called. We have some very nice prizes for this part of the show so put your thinking caps on and come in with some good costumes. There will also be about 10 game type classes for riders and non-riders. The club will be serving chilli and chilli haystacks, chips and beverages. We are asking members to bring a dish to share with all so we have a great smorgasbord to serve. This is strictly a show for fun and not a competition for points. We are working on getting the current arena we use for this show. Will keep you updated. Come one come all for a really good time.

REMEMBER Monthly meeting Dec 2nd 7 PM and the last scheduled show is **Dec 6th Saturday and it BEGINS AT 1 PM.** We will need workers for this show, please try to help.

Hope to see you all attend all the last events of the season. Sherry & Kendra
