

Saddle Club Meeting Held on March 4

Sponsorship forms were handed out at the meeting. This year we would like for all members to get at least one sponsor.

The point system has been changed slightly. Every member will be awarded one point for participating in the class. Therefore, if a club member wins first place, that member will receive 6 points. If a club member does not place, that member will receive one point.

The spotted gaited pleasure class will be a point class and will be eligible for a high-point award. A non-spotted gaited class has also been added to the show bill.

Anyone wanting to volunteer to work at the April show, please contact the new officers.

Anyone wanting to schedule a trail ride, please contact the officers.
