Josh McDowell thought Christians must be “out of their minds.” He put them down. He argued against their faith.

But eventually he saw that his arguments wouldn’t stand up. Jesus Christ really was God in human flesh. Josh became a speaker on college and university campuses challenging people who were just as skeptical as he had been.

In *More Than a Carpenter*, Josh focuses on the person who changed his life – Jesus Christ. It is a hard-hitting book for people who are skeptical about Jesus’ piety, his resurrection, and his claims on their lives.
