Golf Tournament a Hit

The first weekend in June marked the 11th annual Phi Kappa Psi Columbia Golf

Tournament, sponsored by the Mid-Missouri, St. Louis and Kansas City Alumni Associations.

On Friday, June 6, about 20 brothers dodged the rain at MU's A.L. Gustin golf course for what ended up being a beautiful day out on the course. Several brothers hit the 19th hole at Shiloh bar and grill before hitting Booche's for burgers and Grill One-Five for drinks and cigars.

On Saturday, about 40 brothers gathered at the Lake of the Woods Golf Course to tee off in the annual four-man scramble tournament. It was a perfect day for golf.

Some teams were very competitive, taking their time on every shot, while others just enjoyed getting out in the sun and enjoying the friendship of other brothers.

Brothers who decided not to play met

up with those who played for dinner and drinks at Harpo's following the tournament. Stories old and new filled the evening, and brothers bid each other fairwell. Many of them made plans to meet up again before next year's tournament.

A portion of the money raised at the tournament this year will benefit philanthropic projects supported by the three participat-

ing alumni associations.

Pictures from this year's tournament are available on the MO Alpha website at <http://students.missouri.edu/~phipsi/pics/golf03/index.html>
