BETWEEN**

**THE HOLY EMPIRE OF RÉUNION  
AND  
THE INNER REALM OF PATRIA**

*Whereas it is decided by the authority of the Imperial Chancellor and therefore the good subjects of His Holy, Imperial Majesty, Emperor Cláudio the First, a hand of friendship shall be extended to the Inner Realm of Patria, a hand which binds all Réunionians to the Patriænæ in a firm and everlasting handshake of friendship.*

*The Holy Empire of Réunion and the Inner Realm of Patria agree to use their individual influence to back one another's position in international affairs on which they are in agreement, and to support each other in all ways which may be necessary.*

*This treaty is also provided to as charter for any consulate or embassy which is established between the two nations. These embassies shall be under the sole management of the Foreign Affairs Agency of the nation in particular, in Réunion's case, His Majesty's Imperial Chancellery and the Ministry of External Affairs of Patria. Such agencies shall be the exclusive link between the two nations.*

*Henceforth, to all whom it may concern, be it recognized that the following articles of agreement are entered into in good faith and spontaneously by the governments of the Holy Empire of Réunion and of the Inner Realm of Patria.*

*- That the Holy Empire of Réunion hereby officially recognizes the Inner Realm of Patria as a sovereign, independent and serious micronation, and recognizes its current government as legitimate and legally empowered;*

*- That the Inner Realm of Patria hereby officially recognizes the Holy Empire of Réunion as a sovereign, independent and serious micronation, and recognizes His Holy, Imperial Majesty, Emperor Cláudio the First, as Its rightful, legitimate ruler and head of state, and also will recognize the Imperial Chancellery of Réunion as the one and only entity which speaks for the good people of Réunion.*

*- That there shall be a perpetual state of friendship and non-aggression between the aforementioned States, and that both parties shall endeavor to peacefully resolve any issues which may occur to estrange them. That either signatory parties shall respect the diplomatic position of the other, as regards the recognition of, and relations with, other nations and micronations, however trying to follow, whenever possible, the same path, leading, always, to true micronationalism. Both parties compromise to avoid opening relations with nations or micronations which show belligerence towards the other nation.*

*- Notwithstanding that Roman Catholicism and Hinduism are the predominant religions in the Holy Empire of Réunion and the Inner Realm of Patria respectively, both signatories agree to recognize and protect the rights of all minority religious and spiritual groups within their respective micronations; that is the Roman Catholic church and all non-Hindu religions within Patria, and Hinduism and all non-Catholic religions within Réunion.*

*- That either micronations shall respect the military and political endeavors of the other, insofar as these do not infringe their own military and political interests. In the event of international strife, both parties shall steadfastly support the other in any efforts to remain neutral.*
