

# Steve Eulberg: dulcimer workshop and concert

## Celtic Tunes: Getting Both Hands in Shape for Dulcimer Playing

Exploring Celtic tunes (jigs, reels, strathspeys and slides) we'll develop our right hand technique (accurate timing in strumming, cleaner flatpicking and fingerpicking) and our left hand technique: hammer-ons, pull-offs, and slides for Mountain Dulcimer Players.

Hammered Dulcimer Players will work concurrently on the same tunes with ornaments and accents to play in an authentic Celtic style.

To register contact [glsc@sunflower.com](mailto:glsc@sunflower.com) or (785) 843-3014. Workshop price is \$25. Attend both the workshop and concert for \$30.

### Concert at 7:30pm
