## May Folk Night this Thursday at 8 p.m.

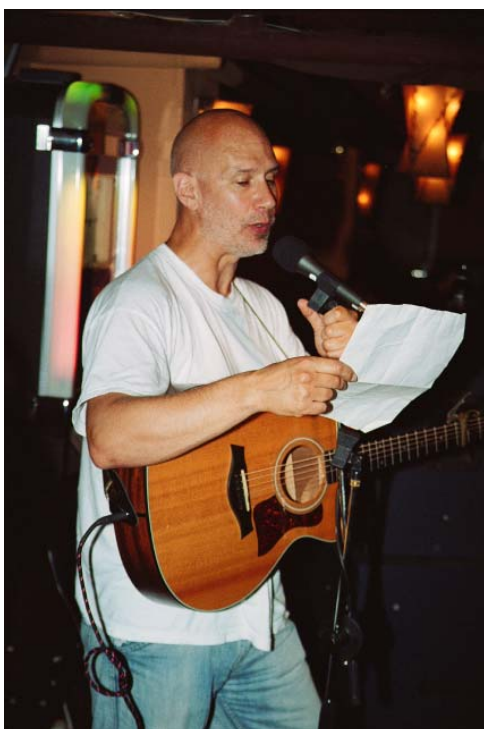

We will be holding our next monthly folk night at the Kangaroo Downunder Bar and Restaurant (downstairs in "The Broadway", 54-62 Lockhart Road, Wanchai) on Thursday 19 May, starting at 8 p.m. The usual informal "Singaround" format. Hope to see you there.

## Macau Weekend

The Macau weekend, planned for 10, 11 and 12 June has run into a snag, namely the yet-to-be completed renovation of the Pousada de Coloane. It looks like the renovations, which should have been finished in time for our "away" weekend, will still be underway. This means the pool won't be full, and there will be noise and dust and...well, you get the picture I'm sure. But never fear, Sue Ellis has the matter in hand, and is looking for a replacement venue, the most likely one being the Silvermine Bay Hotel on Lantau. So if you're still interested in a weekend of fun and frolic (and music), then there's still time to get in touch with Sue at [ellisfamily@netvigator.com](mailto:ellisfamily@netvigator.com).

## Keith Donnelly at the 'Roo

Keith Donnelly, fresh from a successful tour of Australia, played one night at the Kangaroo Downunder, on Friday April 22. Despite a few problems with the p.a., which forced Keith to perform his first set "unplugged", the show was a lot of fun. Thanks to Keith for a good night, and thanks also to Stephen Anderson for sponsoring the event, which meant that no cover charge was levied on people who attended.

### TIME TO PAY YOUR DUES...

Just another reminder folks.... *please* pay your annual membership fee of \$200 as soon as you can. The society can't run without funds, and your membership fee is really needed.

Post your cheque to HKFS, GPO Box 4370, Hong Kong – or (better yet) come along to the folk night and hand it over in person.
