# How To Setup Your Installation

1) If you haven't already done so, download and install the 3D Performers Practice Tools (powered by iPAS) onto your home computer. You can download the program at "www.pyware.com/PerformersPracticeTools."

2) The first time the program runs, you will be asked to register and check for updates.

3) When the Account screen appears, enter the following information into the blanks provided.

3D Account Name:

| **Richard Wong** |
|---|
| 3D Account ID: | **aa-27284** |
| User Group Name: | **Anonymous Guest** |
| User Group Password: | **(leave this blank)** |

4) You will next be asked to enter your name and eMail address. Enter the following information into the blanks provided.

Your Name:	**(type your name here)**
EMail Address:	**(type your email address here)**
