*Kathryn Juniper, in Bend, Oregon, is a championship course from SJS Designs. At over 7500 yards, with water in play on 16 holes, and with several par 4s approaching 500 yards, Juniper is sure to provide a stern test. Its final three holes, the 500 yard par 4 16th, and two par 5s with island greens at 17 and 18, make for one of the most exciting and exhausting finishes in golf.*
