**Bro Lee**

On the 19-23<sup>rd</sup> November this year, I attended the Upper Primary Bible Camp which was held in Klang church. There were around 60 participants in this year's camp. All of them were from 10-12 years old. Among them was one truthseeker.

Early in the morning, at 7.30am, we will go to the church hall to pray. After that, we will have our breakfast. Then, we will have our lessons. In this Bible Camp, there were around 6 students who received the Holy Spirit. Praise the Lord.

In this Bible Camp, I had a lot of experience and I also had a lot of fun. And of course, I gained a lot of Bible Knowledge. Thank the Lord. - **Jonathan Kang**

On the 15-20<sup>th</sup> November of this year, I attended the Junior Youth Bible Camp held in Cheras. There were around 50 or more participants in this year's camp. All of them were from 13 to 15 years old. Among us were one or two truthseekers.

Early in the morning at 7am, we would go to the church hall to pray. After around 20 minutes, we begin our morning Bible reading and prayer. We would first read the Bible silently by ourselves, before the deacon explains the truths behind the passage to further enhance our Bible knowledge. During the Bible Camp, we have many different sessions that is benefiting to us. For example: there is a session concerning the knowledge of the law. The speaker touched on the basic structure of the court, on how the lawyers handle a court case, and also on the deserved punishment for those who are guilty. Thus, it helped us to understand the seriousness of sin and be afraid of it.

But the most special thing is that during this Bible Camp, 7 to 8 students received the precious Holy Spirit, and 8 or 9 students were touched by the Holy Spirit. There was also a truthseeker who received the Holy Spirit! Thank God, everyone was very sincere in their prayer for the Holy Spirit!

For me, the Bible Camp was fun. Of course at the same time, I also gained a lot of experience and Bible knowledge. - **Chin Sze Yuin**
