Five Ways God Uses Problems

The problems you face will either defeat you or develop you - depending on how you respond to them. Unfortunately, most people fail to see how God wants to use problems for good in their lives. They react foolishly and resent their problems rather than pausing to consider what benefit they might bring. Here are five ways God wants to use the problems in your life:

1. God uses problems to DIRECT you. Sometimes God must light a fire under you to get you moving. Problems often point us in a new direction and motivate us to change. Is God trying to get your attention? "Trust in the Lord with all your heart; and lean not unto your own understanding. In all thy ways acknowledge him, and he will direct your paths. Proverbs 3:5-6

Farewell to Sis. Karen

On 19 Feb 2005, the P.J Youth Group had a farewell fellowship for Sis Karen before she departed for Melbourne, Australia for further study. The Youth Fellowship chairman, Bro Meng Hui invited Sis Karen to talk on her preparation on her studies in Australia. Some youths

also shared their experience in studying at colleges/universities outside their hometowns while Dn. Jeremiah gave some wonderful advise to Sis Karen.

The P.J Choir presented a hymn called “Gandeng Tangan” along with a guitar recitation by Bro. Sze Yuen. That hymn was specially dedicated to Sis Karen. While the hymn was being repeated sung, each youth gave his/her best wishes to Sis Karen. It was fun and indeed a very memorable moment for everyone.

A photography session was held and the fellowship ended with the presentation of a farewell card and cake for Sis Karen.

Personal note from Sis Kwai Lin: Sis Karen has been a very wonderful and helpful REU teacher for the past 3 years. She is very dedicated and committed in her service to the Lord. Even during her examination periods, she still has the time to teach the kindergarten children almost every week. The PJ REU thanked Sis Karen for all her help and love for the children.

TESTIMONIES

Lost and Found

Last Friday, 4 March 2005, a miraculous thing happened to me. As it was the first week of the month, I needed to withdraw some money from the bank to pay my house rental. I placed the money into an envelope and then tucked it inside my pocket before I leave for work. The reason I put the money in the pocket was because I was afraid my bag would be snatched away by thieves.

When I reached my office about an hour later, I realized my envelope was lost! I was very anxious, worried and didn't know what to do. The first thing that came to my mind was God. I prayed in my heart and seek for His help. In my prayers, I said, "Lord I really need the money to pay the rental. I can't afford to lose the amount of money. I know you are the only ONE who can help me".

Nobody could help me during that time. I did not know where I have lost it and even if someone has found it, he or she would not be so willing and honest to give back as the amount was RM350. Moreover, there was no name on the envelope.

I started to lose hope. I tried to reassure myself that I was only 'robbed' of the money. At least, my mobile phone and pen-drive were not lost. Neither was I physically hurt.

An hour later, one of my colleagues told me that a notice was put up on the notice board. The notice said that some money was found and to contact a person with a particular phone number. I quickly called up the person, and a few minutes later he appeared and returned the money to me with the exact amount! Thank God! He really helped me and sent a Samaritan to my aid. – *By Sis Lydia*
