Silver Line Dual Mode Coach Multi-Line Tour

for the

Boston Trolley Meet

See What's New on the T!!!

Join us on Sunday, May 4, 2008 for an update on the latest developments on the diverse lines of the Massachusetts Bay Transportation Authority's core system. We will be using a dual-mode coach from the Silver Line, running as a diesel bus on the surface and as a trackless trolley through the Silver Line tunnel in South Boston to South Station. This technology harkens back to the Public Service of New Jersey "All-Service Vehicles" of the late 1930s and is the first in the United States since that time!

The trip will begin at 8:30 A.M. at the Holiday Inn, headquarters for the **Boston Trolley Meet**. From there we will pick up riders at the Sullivan Square Station busway on the Orange Line and go to the Blue Line, where we will make a trip on the new Siemens rapid transit cars. We will then go through the Ted Williams Tunnel for a round trip in trackless trolley mode through the new Silver Line Tunnel. Next we will go to Mattapan to ride the refurbished PCC cars on the rebuilt High-Speed Trolley Line and ride around the new elevated loop at Ashmont.

From Mattapan, we'll head for Heath Street to ride the Type 8 cars to Park Street and back, with street running between Heath Street loop and Brigham Circle. This will cover the latest developments on the Boston system, and update you completely. From Heath Street, we'll take out-of-towners and anyone else that wants to go for a drop-off at South Station and if necessary from there to the Airport for another drop-off. We will then head for the Southampton Street Dual Mode facility where the trip will end.

This is a unique chance to sample the latest developments in Boston transit quickly and conveniently. There will be many photo opportunities, and admission to the stations is included in the ticket price. Join us for an interesting and fun-filled day. Act now! This trip will sell out quickly! See you all there!!!

**Please send all orders to: Boston Street Ry. Assn., Inc.
P. O. Box 181037
Boston, MA 02118-1011**

- Please use check or money order. No cash please. Use self-addressed **Boston address order envelope**.
