## Alpha Lambda Delta Meeting November 6, 2008

### Meeting Minutes

1. The meeting opened at 12:00 p.m. in the University Center (UC) in room 307.
2. Josué began the meeting by once again introducing himself, and delivering the unfortunate news that Dr. Buckman, our guest speaker, was not going to be able to make it to our meeting due to illness.
3. Then he went on to discuss an upcoming community service event known as the HEB Feast of Sharing. He mentioned it would be November 16, 2008 from 2-4 p.m. It would be held at the Convention Center.
4. Then he went on to discuss and hand out flyers talking about the Congressional Hispanic Caucus Institute.
5. The meeting was then turned to Dolores who discussed a leadership program that could be available to any member who was interested. She mentioned that there was a grant given to UTPA in order to attend this leadership program. She mentioned the duration of this leadership program would be six days, on campus, and you would have to attend various workshops.
6. Following Dolores was Emily, our Vice President. She discussed a new text message idea. This would require the members to give us, the officers, their numbers in order for us to send out text messages reminding everyone about our upcoming meetings.
7. Then Josué continued the meeting by discussing his, Emily's, and Dolores' Anaheim, California, convention. He mentioned that the officers would be getting together in order to discuss new ideas that may be implemented into the ALD organization.

- 8.** Following this brief explanation of the convention, Josué passed out the sign up sheet for Feast of Sharing. After everyone had signed in he mentioned everyone was free to go. By this time it was 12:30.
