Road safety project - Wamba Memorial Fund

Elaine had typed up the Swahili version of the manual, without pictures, and Filbert said he would check through it for mistakes. Elaine will also copy in the pictures.

During the week Juma called in to Mr Wemba of NIT, and Elaine also phoned him. He confirmed again that the room is booked for the week of 21-26 July. He suggested we visit him next week to discuss how NIT will participate in the session.

Elaine phoned Mbondole school to invite one representative and they said they would tell her the name later. She will phone Kigamboni Secondary School this week. HUWATA said on the phone they will give a list of their representatives to Juma during the week.

Juma got a list of prices of a Mama Lishe called Mama Alex (0717205157) who is just outside NIT. The prices indicate that Tsh 2,000 per person per day will be enough for morning break and lunch.

Elaine emailed Andrew to ask if he would also be willing to meet with TANROADS and Mrs Mlamba while he is here. She will write letters to them requesting an appointment. Juma reported Mrs Mlamba's office has moved to Ubungo plaza.

Office

Mejah has not yet painted the logo in the office.

Tax

Juma delivered a copy of the letter we received from TRA to Mrs Mlamba's office and also to Mr Ngaja of the guta company.

Finances

During the week Juma gave Tsh 1,000 to Juma Chibaya for the roof treatment for the new office and spent Tsh 300 on photocopying the TRA letter. Ally Saidi Mwishehe spent Tsh 6,000 on a new tyre for the guta and he gave Juma Tsh 8,000 (Tsh 14,000 minus Tsh 6000) for two weeks. Juma now has Tsh 68,900 of UWABA money.

Document on guta

Robert Bartlett prepared a document about gutas using the video Markus had emailed him, and has sent it to us by email.
