Registration

An update was given by John Maximilian and Elaine Baker on registration procedures.

Committee

John Maximilian said he would like to resign as treasurer and remain as an ordinary committee member because he does not have enough time due to his activities as treasurer of another organisation.

Juma Ally Jongo was proposed as treasurer and approved unanimously by the meeting by all those present.

David Ludago was proposed as the remaining fifth committee member and was approved unanimously by all those present.

Meeting time

Opinions were sought on the new meeting time of 3.30pm. Mr Siyenu suggested that we try this meeting time for a few weeks to see if it is better attended than the morning time.

It was discussed as to whether we need to meet every week. It was agreed that we continue to meet every week on Saturday.

It was agreed that Elaine Baker would do master copies of the flyer with a blank meeting time and date and give to every member. Members can then make their own photocopies to distribute.

Activities

Mr Siyenu reported that he had photocopied and distributed 10 copies of the children's bicycle essay competition leaflet and distributed to teachers and children.

It was agreed that UWABA member ID cards should be issued. It was suggested that an ID card should not be necessary for membership, but if a member wants one, they can contribute the cost of producing it. It was agreed that this should await the design of the logo which has not yet been completed.

It was agreed that UWABA should compile a register book of incidents of drivers not respecting cyclists' rights for reporting to the police.
