**Cycle messenger cooperative**

Idrisi has not been at several meetings to report on whether he went to meet the regional co-operative officer. Shukuru offered to go to meet the officer.

**Wamba project**

The teacher Emmanuel in Kigamboni School suggested we do the training in February as students are still settling into the new term. Una from the Wamba fund said she would follow up the second part of the funding next week.

**Road safety video**

Elaine's friend produced the DVD of the road safety video. Hamadi and Sosthenes said they would investigate making about 30 copies. Sosthenes said the video of the cycle caravan 2007 which we had thought had been lost by a technician was found again. He will try to get it.

**Proposed meeting with City Council and monthly forum**

The officer did not reply to Elaine's text message. She did not phone him as she is travelling this week and would like to be at the meeting.

**Foundation for Civil Society Grant**

Elaine drafted letters to Mr Wemba of NIT, Mr Gaja of the guta company and Mr Lupilya the councilor asking them to be our references. She also drafted a letter to the Mtaa asking for a letter of introduction. Members made corrections and she will make new copies. Juma Chibaya will deliver the letter to the Mtaa, Hamadi to Mr Wemba, and Paulo to Mr Gaja and Mr Lupilya.

**Bikes from UK**

Elaine did not get further information about this on the internet – she will do so this week.

**Finances and guta**

Filbert brought Tsh 7,000 in guta money. Juma paid Tsh 30,000 for the PO Box rent. Tsh 5,200 was spent on photocopying flyers and Tsh 3,200 on transport and food for the participants in the disabled event. Tsh 2,000 was advanced to Elaine to print new copies of the letters. Juma remains with Tsh 14,400 of UWABA money.

**Other business**

Elaine will prepare an ID card for Maximilian and bring her camera to prepare IDs for others who need them.
