Verona FFA Booster Club

*“Supporting
youth through
Agricultural
Education”*

What is the FFA Booster Club?

The Verona FFA Boosters is an organization of parents, former FFA members, community leaders, School faculty, and others interested in assisting FFA members and the Agricultural Education Department at Verona R VII Schools.

The FFA Booster Club was established to promote and support students of agricultural education by encouraging their participation in FFA activities, provide support and guidance through

various means, and to encourage students in their development of "Premier Leadership,

Personal Growth, and Career Success". FFA Booster Club members are involved in many activities that assist local FFA members with SAE projects, Career Development Events (CDE or contest teams), expenses to state and national FFA leadership activities. Booster members also serve as chaperones to field trips and conventions, sponsor scholarships to graduating seniors, and serve as mentors to young people involved in the FFA.

Who can be a member?

Anyone can be a member of the Verona FFA Booster Club! You do not have to have been a member of the FFA or even to have children in school.

Membership is open to

anyone who supports the youth of the

Verona FFA Chapter. As a member you will take an active part in building your community at the local level. Your commitment

helps ensure the continued success of America's premier leadership organization in our community.

Mission Statement

The vision of the Verona FFA Booster Club is a world where people and communities can grow and develop to their fullest potential.

The mission of the Verona FFA Booster Club is to secure the promise of FFA and agricultural education by creating an environment where people and communities can develop their potential for premier leadership, personal growth and career success.

- ♦ We value the integral nature of FFA and agricultural education.
- ♦ We value agriculture as an essential part of society.
- ♦ We value diversity in serving all populations
- ♦ We value the development of the whole person.
- ♦ We value the impact of a teacher on a student's life.
- ♦ We value the impact and involvement of parents/guardians and communities on a student's life.
- ♦ We value the community's support of agricultural education teachers and programs.

Meetings

Meetings are held periodically during the course of the year. Meetings are announced approximately two weeks ahead of time and usually coincide with major upcoming activities. Meetings are held in the Agriculture building at Verona High School.
