

Welcome!

We are in the process of setting up a new primitive horse camp. It is very primitive at the present time. We have no running water, electricity or public restrooms.

We have water available for horses. Firewood is available if conditions allow.

Access to the Black Hills National Forest is within ½ mile. Trails are not well marked, so be sure to bring along a GPS or a good compass. Explore on your own, or ride with us. If you prefer a less challenging ride, the George S. Mickelson Trail is only eight miles away. This 110-mile gravel trail has many trailheads along the way.

Camping fees: \$5.00 per horse per night. We have four 11'X11' corrals, or tie lines can be placed between trees. Stallions must be in a trailer at night. We are not responsible for accidents to persons or property.

If you like to ride away from the crowd where you can enjoy wildlife and beautiful scenery, you will love it here. We hope you come out and enjoy our homey atmosphere.
