### **Directions**

**From the North & East / I-95 S** take exit 27 toward Silver Spring and merge on to I-495 W (Capital Beltway / Outer Loop) From the beltway take exit 45b to VA-267, which is the inside-the-beltway part of the Dulles Toll Road (though there is no toll for that part). This is the first exit on the \*left\* in Virginia, about 3 miles past the river. That road will feed into Route 66 East after a couple of miles. Continue below.

**From the West / I-66 E** take exit 71 and turn Right on to Glebe Road. At the next light, turn right on to Wilson Blvd. 0.4 miles after that you'll arrive at George Mason Dr. Turn left on to George Mason. Continue until you cross over US-50/Arlington Blvd. Immediately after the second traffic light, turn right in to the church parking lot.

**From the South / I-395 N** take the Glebe Road/Marymount University exit north. Continue on Glebe Road to US-50/Arlington Blvd, just past a goodwill store on the left. Go over the bridge and turn left on to 50. Almost immediately get off on the ramp to George Mason Drive. If you pass under an overpass, you've gone too far. Turn left over the bridge. Immediately after the traffic light at the end of the bridge, turn right into the church parking lot.
