

BASKETS IN A CORNER

Makes 12" sq. finished

Background

- cut 2 5 3/8 in sq. then cut diagonally
- cut 8 2 x 3 1/2 rectangles
- cut 2 3 7/8 sq. then cut diagonally for corners

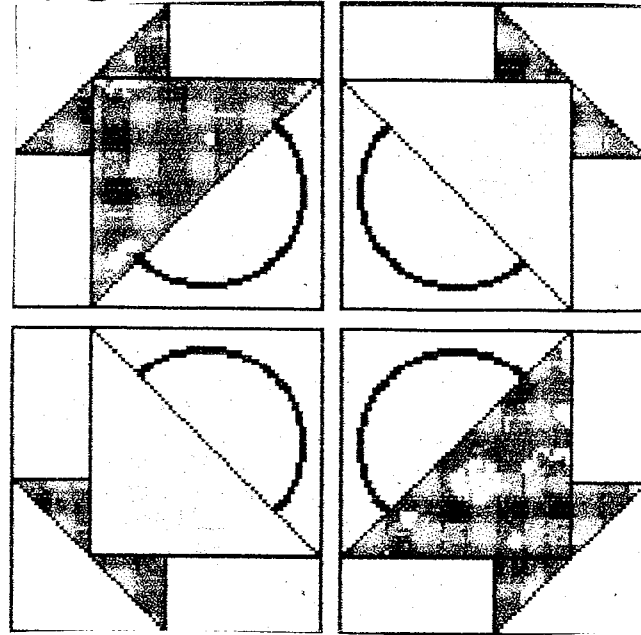

Color for 2 baskets

- cut 4 2 3/8 in sq. then cut diagonally
- cut 1 5 3/8 in. sq. then cut diagonally

Color for other 2 baskets

same as above two baskets

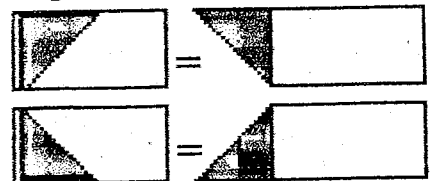

Can be made scrappy

1. Starting with large background triangle mark 2 inches in from side corners for handle placement. Cut 1 1/4 in. bias strips for handle. Fold in half right sides together attach.

2. Sew a 5 3/8 in. color triangle to triangle with handle. Make two with one color fabric and two with the other color.
3. Sew a small color triangle to a background 2 x 3 1/2 in. rectangle. Make 8. 4 and 4 mirror image.

4. Sew these strips to side of basket for feet.
5. Sew smaller background triangle to basket base.
6. Sew four baskets together handle toward the center pressing seams in alternating directions.
