

Log Cabin Basket

Background:

10 1/2" square

1 1/2" wide strips – 2 dark, 2 light

Option: 12 1/2" square

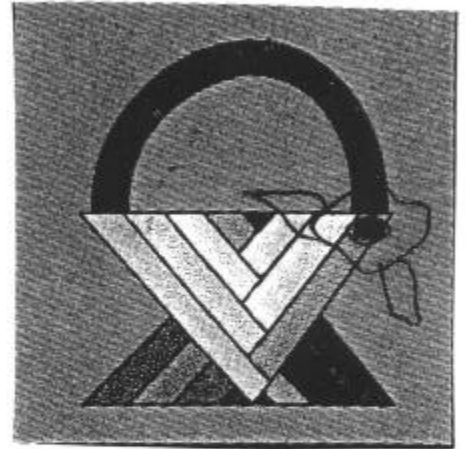

Log Cabin Square:

1 1/4" dark center square

1 1/4" strips – 8 dark, 8 light

Handle:

2 1/2" X 12 1/2" bias strip

1. Make log cabin square starting with dark 1 1/4" square.
2. Cut log cabin square in half corner to corner
3. Dark half is bottom of basket point up. Top of basket is light half point down at middle of bottom half.
4. Hand appliqué or fuse basket in place. Top stitch edges slipping handle in at sides.
5. Handle is folded in half wrong sides together and stitched a scant quarter inch seam. Place handle in position folded side toward basket and stitch on quarter inch seam line. Press handle up and hand stitch in place.
6. If using 10 1/2" square, sew 1 1/2" strips – two dark and two light – to sides making a 12 1/2" square.
7. Fuse or hand appliqué flower to right hand handle end of basket add two leaves.
8. If fused, blanket stitch raw edges.
