Merry Christmas !!!

El Nino

October was a wash with few opportunities to ride. Bob, Kirby, Mat and myself got out once to cruise the Carnation Valley. A brisk ride to Harvey's Airfield proved to be very exhilarating, especially behind Mat!

November has shaped up with 60+ degree temperatures and dry roads. I only hope that y'all have been taking advantage. Watch out for those slippery leaves!

Christmas Party!!!

The HSTA Christmas Party will be at Kirby and Adelle's residence located in the Fairwood suburb of Renton. Directions and map w/detail are provided here.

The dinner will be potluck to alleviate any undue stress on the Drawbaughs. Please **RSVP** with them (**425-228-2465**) to allow planning for enough seating and other festivities. Tales start at 7:00 pm.

Bring your significant others as this will be a good time for all to see what kind of trouble we've gotten ourselves into during our shenanigans. Bring pictures too! Be thinking of rides that you would like to plan, organize, and attend for next year. The more the participation, the more the fun!

Make every attempt in attending for there will be a good chance that you'll walk away with a mystery prize!?!? Ooh - the intrigue is killing me...

Driving Directions to Kirby's Place

- Make your way to **SR-167** and take the **SW 180th St** exit, one mile south of Renton.
- Head **EAST** uphill on 180th past Valley Medical Center. **Continue** along for about 5 miles, past Fred Meyer, Safeway, and Albertson's. 180th changes names but eventually becomes **Petrovitsky Road**.
- Turn **left** at **162nd Ave SE**.
- Turn **right** at **179th St**. 179th becomes **163rd** and then **171st St**.
- At the **intersection** of **161st St**, go **straight** through the intersection into **Kensington** and Kirby's house is the **first** house on the **right** with rockery and lots of flowers.
