

# Did You Get That Card?

With every engine we send a stamped Post Card having a few blanks to be filled in by the user of the engine and to be returned to us. It is important.

It serves you in two ways.

1. On receipt of the card here, we make out a SPECIAL GUARANTEE BOND, covering specifically the engine you have, with engine number, your name, and signed by President O. J. Mulford. This bond is mailed to you.

2. The returned card is put in a "ready reference file," so if you wire for parts at any time three or five or ten years from now, we have the address, engine number and all, handy and correct.

If you didn't get the stamped card and Guarantee Bond, write for them NOW giving Model, H.P. and Number of your Engine, whether purchased thru an agent or from us and agent's name.
