THE CONCLUSION IS MISSING LINK THAT CHARLES DARWIN PREDICTED
FOUNDED BY PROF. DR™. ATEP NURDJAMAN,

Author: ATEP NURDJAMAN, PROF. DR™

*Researcher-Independent for revealed unarranged theory in fields of organic chemistry and biology, 2007 in month of February and the date 17
in do doing for title up*

The breed of human and animal is not secret anymore now, because begin today by do by me-myself(ATEP NURDJAMAN, PROF. DR™) found and publish. Before, peoples afraid telling the truth, why, because that will make they feel embarras, and next on will make someone hurt and next on hurt feeling for forever in term dignity and proud. But, no matters of you got hurt or others, still the knowledge should in first as basic fundamental of scientific attitude.

The breed of human and animal has been found by me-myself(ATEP NURDJAMAN, PROF. DR™) by do research, maybe by you also but only as common knowledge and you doesn't try digging until in depth, not just like me. The fact that human fuck animal is undeniable, I found so many peoples doing that, not only in my country of Indonesia but also in around the world, i.e: Japan, China, Thailand, Malaysia, Australia, India, England, France, Dutch, Spain and others of Europe countries, Russia, Canada, USA (United States of America), Latin Countries, and Eskimo, and others. Why they doing fuck to animal? Because they cannot found the mate, they should continued the blood down stream child, European say, meanwhile the others is only for sex. I found the disorder of peoples considering sex, usually European and USA, they fuck animal, I found the website as exclusive website who the attenders-watch should pay for see the fuck animals.

How should I do if I know about that, aboved? silent just like you maybe, or try cover them who has habit just like animal, JUST FUCK. Scientific attitude guide me-myself(ATEP NURDJAMAN, PROF. DR™) to becoming honest person for telling the truth all of fact that I found including the habit of human who doing fuck to animals. More obvious in perspective of biology who give prove that the human who fuck animal give result the child borned by them obviously is mix species who as NEW TERM in biology field, I should report to scientist community the fact.

In perspective of genetic the mix spesies who borned from Human and animal is new species, why you know the rest.

Long observation consideration about the mix species coming from human and animal gived result that theres vary in shape of part of body, in skin color, in behavior, in habit, and in disease who carry from both human or mix with in animal who exist in baby. Each animal who contribute to new species in term mix species who coming from human and animal, is:

1. Monkey
2. Horse
3. Dog
4. Sheep
5. Goat
6. Cow
7. Buffalo
8. Carabao
9. Pig
10. Lion
11. Tiger
12. Turtle
13. Big Mouse
14. Camel
15. Snake
16. Lizard
17. Bear
18. Alligator
19. Crocodile

Below here is the address of web as prove that human fuck animal, inside there the picture or movie about human who doing fuck to animal, with respect I don't try insult or make someone hurt but I try to make you understand about all of situation who appears after they fuck, off course after they fuck each of others they don't shown the baby who got after that, but the others of fact shown, the baby borned and next on by do terminology and common perspective and specially by do perspective of biologist the baby is new species who should do gived the name. Obviously that the human and animal has capability and ability to do coitus, fuck, make love, whatever the words as long as they doing sex, the penis penetrated to vagina, and next on they produce/born the baby and the result off course the mix species in term level of genetic and also comparative anatomy.

For example, the human who doing fuck to monkey will gived result as baby who born from one of them will see observed as human who definitely we can see the monkey shape in human body, especially the shape of head, the face look like monkey, even when smile, similar just like monkey, meanwhile the rest you can predict. This new species or mix monkey in term density is vary between one to another depend the kinds of monkey who fucked by do human. The variety will heading to do new perspective of new species, variety because the gen of monkey;each. This theory will bring me-myself(ATEP NURDJAMAN, PROF. DR™) to claim the theory of missing link of Charles Darwin, described next paragraph.

As you know that the master of evolution say that theres missing link or gap between the monkey and human, the missing link term who found by Charles Darwin hisself will bring to that human coming from monkey. Until now theres no prove that the existing of that missing link. Today, I like to say that the missing link found by me-myself(ATEP NURDJAMAN, PROF. DR™) and the missing link already exist in this earth and live together side by side with us, the missing link is baby that borned from mix coitus the human and monkey. MISING LINK DEFINITELY FOUNDED BY ME-MYSELF(ATEP NURDJAMAN, PROF. DR™), END THE CASE. CHARLES DARWIN SHOULD HAPPY.

MISSING LINK WHO SAY BY ME-MYSELF(ATEP NURDJAMAN, PROF. DR™) DEFINITELY DIFFERENT FROM MISSING LINK THAT SAY DO BY CHARLES DARWING, BUT THERES SIMILARITY IN TERM SHAPE THAT DREAM BY CHARLES DARWIN, CHARLES DARWIN MISTAKE PREDICT THAT HUMAN COMING FROM MONKEY, HE THINK THAT THE MISSING LINK WHO FOUND BY ME-MYSELF(ATEP NURDJAMAN, PROF. DR™) IS GAP BETWEEN HUMAN AND MONKEY, BUT THE FACT THAT THE MISSING LINK WHO FOUND BY ME-MYSELF(ATEP NURDJAMAN, PROF. DR™) IS MIX SPECIES THE HUMAN AND MONKEY AS RESULT OF COITUS WHO APPEARS AS HUMAN AND BORN FROM ONE OF THEM, HUMAN OR MONKEY.

CHARLES DARWIN DREAM ABOUT MISSING LINK WHO AS BRIDGE BETWEEN HUMAN AND MONKEY WILL NOT COME TRUE UNTILL THE END OF TIME, BECAUSED THE MISSING LINK WHO FOUND BY ME-MYSELF(ATEP NURDJAMAN, PROF. DR™) IS NOT BRIDGE OR GAP BUT AS MIX SPECIES THE HUMAN AND MONKEY AS RESULT OF COITUS.

BEGIN TODAY, I WILL SAY THAT THE THEORY OF MISSINK LINK WHO SAY BY DO CHARLES DARWIN CONTAIN THE UNRIGHT THEORY OR CONTAIN THE UNARRANGE THEORY WHO SHOULD NOT USED IN BIOLOGY FIELDS OR RELATED.

THE CORRECT THEORY IS:

SPECIES IS COMING FROM ANYWHERE AS LONG AS COMING FROM LIVING FROM WHO MATCH IN GENETIC CODE AND THE STORY FORMED OF SPECIES NOT BASED ON COMMON BREED ONLY (Atep Nurdjaman, DR™, 2007)

LAST STATEMENT FROM ME-MYSELF(ATEP NURDJAMAN, PROF. DR™) IS:

THE FACT AND FEAR AND ALSO THE HARD TO SAY FOR REVEALED THE SECRET BASED ON WHATME-MYSELF(ATEP NURDJAMAN, DR™) INTRODUCE, should say as New Theory without in me attempt to make someone angry and shy.

Keywords: Human, animals, fuck, Charles Darwin, missing link, mix species, gen, Monkey, Horse, Dog, Sheep, Goat, Cow, Buffalo, Carabao, Pig, Lion, Tiger, Turtle, Big Mouse, Camel, Snake, Lizard, Bear, Alligator, Crocodile,
