RACE REPORTS:

The practice day held on 08.10.2005 was attended by 17 riders, 2 new members and 2 Juniors.

The Cavell brothers raced at Mundoolen and both had a good day. The numbers were down with about 35 riders and the dust was heavy.

KTM had a ride day at Stanmore Park and 375 bikes rolled up.

The Queensland Classic DT Championships that were to be held by Maryborough MCC were cancelled due to lack of entries.

GENERAL BUSINESS:

Brisbane City Council has refused permission for any Club to sink a bore at Raubers Rd to enable watering of the tracks. North Brisbane Junior MCC has again requested that we sink a bore, but this time on Council land.

It was proposed by V. Grayson, seconded D. Muirhead that the Secretary write a letter of complaint to the Dirt Track Subcommittee about the unprofessional way the Queensland Classic DT Championship meeting was promoted by the Maryborough Club and the way MQ sent the proposals to the Dirt Track Subcommittee instead of the Historic SC. Carried all in favour.

The Australian Classic MX Championship is being held in WA for 2006. Any rider interested in competing there should get in touch with Don Newell for information about arrangements

for a transporter for their bikes. The Secretary to put this item in the next newsletter so Don has plenty of time to arrange everything.

MEETING CLOSED: 9.00 pm.

NEXT MEETING: 8.11.2005.
