## *Competitive Team Tryouts*

The Timberwolves Soccer Club has set tryout dates for the Fall 2001 and Spring 2002 seasons. The age brackets, locations, dates, and times are listed below. The Timberwolves Soccer Club is a competitive soccer club that is focused on player development. The goal of each age group listed below will be to form an "A" and "B" division team in that age group. Players that make a team will commit for both the Fall 2001 and Spring 2002 seasons as well as playing in one tournament per season. League registration costs are \$65 per season (plus the cost of a uniform).

Players may try-out for an older age group, but not more than ONE year up. Players trying to play up must also attend the try-out for their appropriate age group to be considered for that team. Players that attend tryouts should come prepared to play and must be wearing shin guards. Please bring your own soccer ball and water. All TSC players currently on a roster for this past year must register and tryout for the upcoming year. Pope field is located in Atkinson, NH on Pope Road. **Plan to be at the field one half hour early for try-out registration.**
