

FINAL OPPORTUNITY IN LIONS-QUEST 2005-2006 DRAW

Australian Lions-Quest Youth Institute Ltd,
P.O. Box 3223,
Clontarf D.C. Qld 4019

Dear Lions Club President

On behalf of the Board of Directors of the Australian Lions-Quest Youth Institute Ltd, I extend a sincere thank you to all Clubs who have supported our fundraising activity this year. As the response to date has not met our budget expectations, we have decided to extend the drawing date to the February Multiple District Council meeting.

We encourage all clubs to invest in the future of our young people by sending your donation to reach us no later than 10th February 2006. By supporting the Lions-Quest Youth Institute and its important programs, you will have an opportunity for members of your Club to receive:

- a) **\$1,500** towards the cost of attendance at the 2006 MD Gold Coast Convention, **OR**
- b) **\$1,000** towards the cost of attendance at the 2006 MD Gold Coast Convention, **OR**
- c) **\$500** towards the cost of attendance at your own District Convention in 2006.

Lions-Quest is a key project of LCIF. Schools and teachers acknowledge the growing need for social skills, and schools that are using *Skills for Growing* and *Skills for Adolescence* tell us many success stories ... from young people being "turned around", to fewer discipline problems, children resolving their own conflicts and showing more caring and respect for each other and the adults in their lives.

Every \$50 donation from your activities account will create the opportunity for two of your members to attend and enjoy the Multiple District or a District Convention in 2006. All donations will receive a receipt and acknowledgement.

The three successful Clubs will be selected by a random draw at the Multiple District Council meeting in **February 2006**. If your Club is one of the lucky recipients, it can use the funds as an award, an incentive, an internal raffle prize, or hold an auction to determine who will attend.

We sincerely thank your Club for its support of the important Lions-Quest programs that develop respect, responsibility and resilience in young people.

Yours in Lions service
