

OBJECTIVE

Seeking full-time Graphic Design position in print/electronic media or related field. Able to work independently or as part of a creative team. Well organized, focused, fast learner, efficient and experienced in working in a deadline-driven environment.

Would enjoy working closer with the printing process and different printing methods such as vinyl graphics/signmaking and/or screen printing. Also would like to work with more Point of Sale(POS) display projects.

RECENT WORK EXPERIENCE

**Imperial Valley Press, El Centro, CA: Graphic Designer,
Web Designer, Photographer**
03/01-03/06

Responsibilities included designing/creating print projects such as editorial pages, info-graphics, special publications, promotional materials, company collateral, ads and almost anything to do with print whether it be in-house or outside work. Also pioneered web department and maintained company website by updating/uploading information, photos, creating new pages, creating special sections, redesigning entire website several times, creating web advertisements/animations and working with clients. Also redesigned parent company's website. Worked unofficially as photographer.

Platt College, San Diego, CA: Teacher's Aid
12/00-02/01

Assisting instructor with class projects and other classroom activities. Helping students with troubleshooting, answering questions about graphics applications.

Western Dental Centers, El Cajon, CA: Assistant/Sterilization Tech.
3/99-6/99

Began sterilizing dental instruments and quickly moved up to assisting doctors; learning at a fast pace. Also worked for Dr. Albert Broas, D.D.S.), providing home visits for elderly and mentally/physically challenged patients.
