**Push the Limits:**

Basic instincts, social life  
Paradoxes side by side

Don't submit to stupid rules  
Be yourself and not a fool.  
Don't accept average habits  
Open your heart and push the limits.

Open your heart and push the limits  
Open your heart and push the limits

**Gravity of Love:**

O Fortuna,  
velut Luna  
O Fortuna,  
velut Luna

Turn around and smell what you don't see  
Close your eyes ... it is so clear  
Here's the mirror, behind there is a screen  
On both ways you can get in

Don't think twice before you listen to your heart  
Follow the trace for a new start

What you need and everything you'll feel  
Is just a question of the deal  
In the eye of storm you'll see a lonely dove  
The experience of survival is the key  
To the gravity of love.

O Fortuna,  
velut Luna

THE PATH OF EXCESS

LEADS TO THE TOWER OF WISDOM  
THE PATH OF EXCESS  
LEADS TO THE TOWER OF WISDOM

Try to think about it ...  
That's the chance to live your life and discover  
What it is, what's the gravity of love

O Fortuna,  
velut Luna

Look around just people, can you hear their voice  
Find the one who'll guide you to the limits of your choice

But if you're in the eye of storm  
Just think of the lonely dove  
The experience of survival is the key  
To the gravity of love.

O Fortuna  
velut luna

velut luna

**Smell of Desire:**

Je ne dors plus  
Je suis folle, je m'abandonne  
Je ne dors plus  
Je suis a toi

(in reverse mode) In nomine Christi, Amen ...

Je ne dors plus  
Je suis folle, je m'abandonne  
Je ne dors plus  
Je suis a toi

Je ne dors plus  
Je suis folle, je m'abandonne  
Je ne dors plus  
Je suis a toi

The eternal flame will always burn  
Feel - understand - and learn

**Modern Crusaders:**

Don't look back, the time has come  
All the pain turns into love  
We're not submissive, we're not aggressive  
But they think we can't defend

Stand up, join us, modern crusaders alive  
We have the power to face the future  
Cause we are the fighters  
Just fighting for our rights

They're accusing, like always without knowing  
What is just fiction or what is the truth  
They have no mission, they have no passion

But they dare to tell us what's bad and what's good!

Stand up, join us, modern crusaders alive  
We are the power who'll face the future  
Cause we are the fighters  
Just fighting for our rights

est affectus  
et defectus  
semper in angaria  
quod per sortem  
sternit fortem,  
mecum omnes plangite!

nunc obdurat  
et tunc curat  
ludo mentis aciem,  
egestatem,  
potestatem

Stand up, join us, modern crusaders alive  
We are the power who'll face the future  
Cause we are the fighters  
Just fighting for our rights

Stand up, join us, modern crusaders alive!

Sors salutis

**Between Mind & Heart:**

It's hard to find the balance when you are in love.  
You're lost in the middle cause you have to decide  
between mind & heart.  
Between mind & heart.

HEART is the engine of your body but BRAIN is the engine of life.  
Between mind & heart

HEART is the engine of your body but BRAIN is the engine of life.  
Between mind & heart  
Between mind & heart

Between mind & heart

**Silence Must Be Heard:**

Look into the other's eyes, many frustrations  
Read between the lines, no words just vibrations  
Don't ignore hidden desires  
Pay attention, you're playing with fire

Silence must be heard  
Noise should be observed  
The time has come to learn, that silence ...  
... silence must be heard  
Or diamonds will burn, friendly cards will turn  
Cause silence has the right to be heard

People talk too much for what they have to say  
Words without a meaning, just fading away  
Silence must be heard  
Noise should be observed  
The time has come to learn, that silence ...  
... silence must be heard  
Or diamonds will burn, friendly cards will turn  
Cause silence has the right to be heard

Silence must be heard  
Silence must be heard  
Noise should be observed  
Silence must be heard  
Silence must be heard  
Noise should be observed

Silence ...  
Silence ... must be heard.
