"Each Member at Large of a District Board of Administration shall be a Covenant Member of a local Wesleyan Church within the district of service and remain active in a local Wesleyan Church both at the time of election and throughout the tenure of membership."

RESOLUTION TO CLOSE WESLEYAN BIBLE CAMP

To the 165th District Conference of the Eastern New York / New England District of the Wesleyan Church Resolution to Close Wesleyan Bible Camp.

Whereas Wesleyan Bible Camp has failed to fully meet its financial obligations for the past several years and,

Whereas many of the Wesleyan Bible Camp facilities are in a state of severe disrepair and, Whereas the monies needed to bring the facilities up to a place of acceptable usability and marketability for the future would be in the hundreds of thousands and even millions of dollars and, Whereas insufficient financial support has been given by individuals and the District and,

Whereas continued operation of the facilities under the current financial restrains is impossible and the projected

expenses to upgrade and further maintain these grounds and facilities will increase dramatically over our recent operating budgets and,

Whereas the financial burden from the Clinton County Department of Health's demands to meet new and ongoing regulations continues to increase,

Be it resolved that Wesleyan Bible Camp shall not operate any district ministries on the Wesleyan Bible Campgrounds during the 2007 district camping year and will close and cease to operate at the end of the 2007 camping season and that management and disposal of the grounds will be placed in the hands of the District Board of Administration and,

Be it further resolved that the District Board of Administration and the Spiritual Formations Committee will assist through their direction and guidance in providing district opportunities for camps or retreats for those areas affected by the closing.

Submitted Unanimously by the Camp Committee and approved by the Action Committee **Motion to Divide the House.** Motion was passed by ballot vote.

Amendment to the Resolution:

Motion received: to strike the words "<u>and disposal</u>" of the facilities so the resolution would read: **Be it resolved** that Wesleyan Bible Camp shall not operate any district ministries on the Wesleyan Bible Campgrounds during the 2007 district camping year and,

Be it resolved that the management of the property will be placed in the hands of the District Board of Administration and not be disposed of for a period of 1 year beginning from the rise of District Conference June 22, 2007.

Be it further resolved that the District Board of Administration and the Spiritual Formations Committee will assist through their direction and guidance in providing district opportunities for camps or retreats for those areas affected by the closing.

Amendment to the Resolution passed by a voice vote.

MINISTERIAL CODE OF ETHICS

I am a minister of the Lord Jesus Christ, called of God to proclaim the un-searchable riches of His love. Therefore, I voluntarily adopt the following principles in order that, through dedication and self-discipline, I may set a more worthy example for those whom I seek to lead and serve.

I. MY PERSONAL CONDUCT

- I will cultivate my devotional life, continuing steadfastly in reading the Bible, meditation, and prayer.
- I will endeavor to keep physically and emotionally fit for my work.
- I will be fair to my family and will endeavor to give them the time and consideration to which they
 are entitled.
- I will endeavor to live within my income and will not carelessly leave unpaid debts behind me.
- I will be honest in my stewardship of money.
- I will not plagiarize.
- I will seek to be Christ-like in my personal attitudes and conduct toward all people regardless of race, class or creed.

II. MY RELATIONSHIP TO THE CHURCH WHICH I SERVE

- I will dedicate my time and energy to my Christian ministry and will maintain a strict standard of discipline.
- In my preaching, I will exalt the Bible and will be true to my convictions, proclaiming the same in love.
- I will maintain a Christian attitude toward other members of the church staff and will not expect the unreasonable of them.
- In my pastoral calling, I will have respect for every home I enter for I am a representative of Christ and the church.
- In my administrative and pastoral duties, I will be impartial so no one can truthfully say that I am pastor of only one group in the church.
- I will strive, with evangelistic zeal, to build up my church but will maintain a Christian attitude at all times toward members of other religious bodies.
- I will, under no circumstances, violate confidences that come to me as a minister.

III. MY RELATIONSHIP TO FELLOW MINISTERS

- I will refuse to enter into unfair competition with other ministers in order to secure a pulpit or place of honor.
- I will refrain from speaking disparagingly about the work of either my predecessor or my successor.
- I will refrain from frequent visits to a former field and if, in exceptional cases, I am called back for a funeral or wedding, I will request that the resident minister be invited to participate in the service.
- I will never embarrass my successor by meddling in the affairs of the church I formerly served.
- I will be courteous to any predecessor of mine when he/she returns to the field and will be thoughtful of any retired minister.
- I will not gossip about other ministers.
- I will hold in sincere respect any minister whose work is well done regardless of the size or nature of the field he/she serves.
- I will consider all ministers my co-laborers in the work of Christ and, even though I may differ from them, I shall respect their Christian earnestness and sincerity.

IV. MY RELATIONSHIP TO THE COMMUNITY

- I will strive to be human in all my relationships to the community, but will never lower my ideals in order to appear "a good fellow."
- I will be considerate of the working hours of business and professional men and women and will not consume their time with unimportant matters.

I consider that my first duty to my community is to be a conscientious pastor and leader of my own congregation, but I will not use this fact as an easy excuse to escape reasonable responsibilities that the community calls upon me to assume.

V. MY RELATIONSHIP TO MY DENOMINATION

I will, at all times, recognize that I am a part of a fellowship that has made large contributions to my church, my education, and my ministry. In view of this fact, I acknowledge a debt of loyalty to The Wesleyan Church and will strive to fulfill my obligations by cooperating in its efforts to extend the Kingdom of God.
