# Potters Bar to Chingford

**ROUTES****313**

Whats New?

Service **313** is transferred to F&D — welcome to a whole new style and standard of bus service!

We are introducing low-floor central entrance double deck buses to this route, which will be staffed by both drivers and conductors! The buses are fully wheel and push chair accessible. Our conductors will ensure that stop times are now much shorter and your journey will be more comfortable, reliable and quicker!
