Winter Park, FL 32793-5446

The Merit Badge Process: Guidelines for Helping Your Youth Earn Merit Badges

1. **Make sure that your troop is using ONLY Merit Badge Counselors who have been approved and properly registered by Little Econ District as outlined in the national guidelines for advancement.**
 - A. Even though an individual may be registered with your unit, they must also submit an adult application to become a Merit Badge Counselor, complete with references, etc.
 - B. Prospective counselors must also submit the Merit Badge Counselor Information Sheet which outlines their qualifications to teach each merit badge for which they would like to counsel.
 - C. Completed adult applications and Counselor Information Sheets must be submitted through the District Advancement Chair. They are not processed if submitted directly to the Council Service Center. Send all Merit Badge Counselor paperwork to Nell Colbert at P.O. Box 5446, Winter Park, FL 32793-5446.
 - D. Once approved and registered, counselors do not need to complete new paperwork each year. They do, however, have to be recertified as willing to continue as counselors by their units EVERY YEAR. This process occurs during the unit recharter.
2. Review with your scouts the next page of this booklet: *Youth Guidelines for Working on Merit Badges*.
3. Make sure that you have signed the boy's Merit Badge Application (blue card) BEFORE the scout contacts the designated Merit Badge Counselor.
4. Try, as much as possible, to use counselors from **outside** of your unit. Also try to ensure that a scout does not use the same individual for multiple merit badges. This will help your scouts develop the confidence they will need later in life to deal with people they do not know.
5. When possible, but **only when initiated by the scouts**, try to hold group presentations for merit badge instruction at unit meetings.
6. Remember, there is **NO AGE LIMIT** for the completion of any merit badge other than age 18.
7. Also remember, **when a counselor has signed off a merit badge as being completed, the unit MAY NOT re-examine the scout.** There is NO "board of review" for merit badges.
8. Should your scout report back to you that a particular counselor is no longer willing to counsel for a merit badge, be sure to advise Nell Colbert (321-303-7445 or ncolbert@cfl.rr.com) so that the counselor can be removed from the database.
9. Should your scout report that a counselor is adding requirements to those outlined in the current merit badge pamphlet or the most recent edition of the Advancement Requirements book published by BSA, be sure to notify Joe Larkin or Nell Colbert immediately. **JUST AS TROOPS / SCOUTMASTERS MAY NOT ADD REQUIREMENTS TO RANK ADVANCEMENT, COUNSELORS MAY NOT ADD REQUIREMENTS TO MERIT BADGES.**

Youth Guidelines for Working on Merit Badges:

1. When you are ready to start working on merit badges, meet with your Scoutmaster, Crew or Team Advisor or their designee to discuss the badge(s) you would like to earn.
2. Using your unit's list of approved Merit Badge Counselors and this District Merit Badge Counselor listing, determine, with the help of your Scoutmaster or Advisor, which counselor you will use. Be sure to write down the name, address and phone number of that counselor. **You may only use properly certified and registered Merit Badge Counselors.** If there is no Merit Badge Counselor listed for the badge on which you want to work, please call Nell Colbert at 321.303.7445 for assistance. If you know of someone who would like to serve as a Merit Badge Counselor for a badge on which you would like to work, discuss this person with your Scoutmaster. Your Scoutmaster will give you a copy of the BSA Adult Leader application and the Merit Badge Information Sheet which must be completed by your proposed counselor and approved by the District Advancement Committee **BEFORE** you may work with this individual. Scouts are great resources for recruiting new Merit Badge Counselors so don't be afraid to ask someone to help you earn a Merit Badge.
3. Obtain a blue merit badge application card from your Scoutmaster or Advisor and fill out the information needed on the card. Once the card is complete, make sure that your Scoutmaster or Advisor signs the card **BEFORE** you contact the merit badge counselor. If you need help completing the card, ask your Scoutmaster or Advisor for assistance. **Be sure to take your blue card to every meeting that you have with your counselor.**
4. Contact the Merit Badge Counselor to set up your first meeting. At this meeting you will discuss the requirements of the badge to make sure that you understand what you will need to do to complete it. Be sure that you have the latest edition of the Merit Badge pamphlet or the most recent Advancement Requirements booklet published by the Boy Scouts of America. Remember, merit badge requirements are updated every couple of years and you must be using the most recent requirements for your merit badge work. The Advancement Requirements booklet and individual Merit Badge pamphlets are available for purchase through the Scout Shop at the Boy Scout Service Center located in Apopka or your troop may have a troop library from which you may check-out a pamphlet through the troop's Librarian.
5. Along with another scout, a relative or a friend, meet with the merit counselor at the time agreed upon by you and the counselor. After reviewing the requirements with you, your counselor will help you set goals for completing the needed work to fulfill them.
6. You must always be accompanied by a buddy when meeting with the counselor. **YOU MAY NOT MEET WITH ANY MERIT BADGE COUNSELOR BY YOURSELF.**
7. You may need to meet with your counselor any number of times during the course of your merit badge work. Be sure to always call your counselor to set up an appointment before attempting to meet with him/her. If you cannot keep a scheduled appointment, always call your counselor to let them know that you cannot attend your appointment.
8. When you have completed all of the merit badge requirements to the satisfaction of your counselor, the counselor will sign off your blue card. The counselor will keep one section of the card for his/her records and will return the rest of the card to you. **You must now turn in the blue card to your Scoutmaster or Advisor for his/her signature.** Your Scoutmaster or Advisor will give you back your portion of the card and will submit the unit copy to the unit's Advancement Chair for processing. The Advancement Chair must complete an Advancement Report and submit it to the Council Service Center in order to purchase your merit badge which will be presented to you at your next troop meeting or Court of Honor.
9. **IT IS VERY IMPORTANT THAT YOU NOT LOOSE YOUR COPY OF THE BLUE CARD AS IT IS YOUR ONLY PROOF THAT YOU HAVE COMPLETED THE REQUIREMENTS FOR THE MERIT BADGE.**
10. Should you begin work on a merit badge at summercamp or with one counselor and need to finish it with another counselor, you should follow the same procedures outlined above. Show your "partial" blue card to your new counselor so that he/she will know how much work you have already accomplished.
