

## A plan for a strong future for GAEOP

*Officers will have oversight responsibility for those positions listed – but all will report to President!*

<b><i>Officer</i></b>	<b><i>Focus</i></b>
President	Voice & Drive for the year, Ultimate Decision maker, Coordinates conferences, Leads others
President-Elect	Assists President with Coordinating Fall & Spring Conferences and other program
Vice-President	Building the membership through affiliation, certification and distribution of information
Treasurer	Receives and records all incoming and outgoing disbursements of the organization
Secretary	Records and Communication
IP President	Keeping the strength involved through Past-president's council and retirees

*GAEOP Bylaws, Standing Rules and Duties/Responsibilities listings are guided by the above structure for the elected officers. No one is excluded from any process! This model is a guide to allow for a more even distribution of responsibility and duties, to provide additional continuity in processes and to ensure a strong future for GAEOP.*

*Effective: July 1, 2005*
