A Biking Workshop

Great Biking Trails of St. Louis

John Donjoian knows his way around the biking trails of St. Louis, mostly because he helped build them. As the founder of Gateway Off Road Cyclists, he has had a hand in building over 20 miles of new trail around the Eastern-Missouri and Western-Illinois area and has been featured in many regional and national publications including *Rural Missouri*, *Missouri Conservationist*, *IMBA Trail News*, *Dirt Rag Magazine*, and *Bike Magazine*.

Join John as he shares his experience and recommendations for some of the best off road cycling in the St. Louis area. Whether you're just starting out or a veteran cyclist, you'll appreciate John's take on the best ways to enjoy all the trails St. Louis has to offer.
