## { directive }

To pursue a career in the field of graphic design and art direction, both in print and on the Internet.

## { experience }

2003-2006

New Media Specialist

*Michael & Partners*

Lead Designer and Art Director on several major accounts. Responsible for the strategic development, design, and production of interactive and printed business solutions. Developed solutions for industries including technology, telecom, healthcare, government, food service.

2001-Current

Freelance Designer

*No Car Garage*

Complete Branding solutions for small business clients. Became a one-stop shop for everything from concept to design and through to production. Working on the web as well as print, I've designed complete solutions for several clients. Designed and maintained several websites.

2001-2002

Designer, Editor, Contributor & Webmaster

*Krautdog Productions*

Sole designer of Krautdog.com (defunct) which was hosted by the popular UGO network. Editor and contributor to Super Fly, Krautdog's monthly online zine which featured humorous content and celebrity interviews.

2000-2001

Customer Service and Account Representative

*Ameritrade, Inc.*

Interacted with customers to provide information in response to inquiries about their accounts, trading rules or Market trends and to handle and resolve complaints.

2000-Current

Producer, Editor, Writer, Actor, & Director

*Several Film and Video Productions*

Worked a variety of positions on film and video productions. Assistant editor on the local independent film *Best Laid Plans*. Wrote and punched up several screenplays. Selected out of hundreds of candidates to assist on *HBO's Real Sex*.
