Dear girls and parents

Following on from last night's meeting it was reported that the girls had a wonderful time at camp and worked with great enthusiasm. There were some very tired and in some cases grubby children come home but they all had smiles and tales of much giggling into the night. Thank you to the mums who gave up their weekend to help supervise the girls. They faced a weekend of little sleep, many dishes, vacuuming huge floor areas and after all that couldn't even find a corkscrew for their one precious bottle of wine at the end of the day!

THANK YOU to all the helpers at camp, your work was much appreciated.

Head gear thank you

THANK YOU to all the helpers who tidied the head gear room on the last clean up day.

ADVERTISING SPACE ON PROP VAN AVAILABLE

We are having the prop van painted with a new sign on the side. There is space for four businesses to have their Logo placed permanently on the sides of the van at a one off cost of \$200.00 for both sides or \$100.00 for one side. As the van is either on display in Saffron Street or on the roads throughout Country Victoria and the Metropolitan areas of Melbourne, this is a very good way to advertise Geelong based Companies and their products. Please let your teacher or duty mum know if you can help to sell this advertising space.

ROD COVERS AND BODY BOARDS

Reminder: Cost of rod covers is \$5.00 and if you lose the screw on top it is \$2.00 to replace.

Body boards make it easier to sew sequins on to leotards. See Kerrie Anthony or your duty mum if you are interested in purchasing one.
