## **Fees**

Second Term fees are now due and payable by mid-May. Unfortunately our Hall hire has risen unexpectedly by \$900 per year and our competition entry fees have also risen. As a result we have had to increase fees by \$5 per term.

Fees are now \$100 for Subbies, Juniors, Inters and Seniors (\$90 for second child) and \$50 for tinies (\$45 for second child). We apologise for this unavoidable increase, but hasten to point out that it is still only \$2.50-5.00 per hour, which is still quite inexpensive compared with a lot of other indoor sports.

Please get your fees in asap as we have had two major payments to make \$1800 for competition entries and \$900 extra for hall hire. Cash flow is needed so that we can buy the necessary requirements for costumes, etc.

First term fees include CVI Insurance of \$25. The girls are not covered if they injure themselves if this is not yet paid. Please pay this now if you have not already done so.

## **Solos**

Solo performers have excelled themselves this year, with major placegetters at all competitions. Girls performing at the recent CVI State Titles were an absolute credit to their teachers, the Club and most importantly, themselves. Well done to every competitor - you should be very proud of your efforts

A full list of results is displayed on the noticeboard in the Mums room.
