TEACHERS' REPORT

The Tinies are working extremely hard to finish off their work. I have noticed that each week we are getting better and better, so keep up the good work and try to put your music on throughout the week and practice please. I have also noticed that some Tinies are arriving late for class. I realise that the weather has got colder and it is harder to get out of bed, but we really are stretched for time. Please make every effort to arrive by 9.00am sharp.

A HUGE THANKYOU must go to one of our Tinies' Dads (Scott Smith) for being so kind in making our wonderful lily pads. They look terrific and the children know exactly where they have to stand when they are on the floor. Thank you so much for your generosity Scott, it is much appreciated.

FAKE TAN

Anyone needing fake tan for competitions this year (this will include all new Tinies) could they please let their Duty Mum know before the 14th of July, as the club is buying it in bulk so that the price will be kept at a minimum. While we're asking, would a lovely Dad in each section like to volunteer to tow the Prop Trailer to and from each

Competition. The club will pay petrol for each trip.
