

Geelong Calisthenics Newsletter February 2002

We are having a BBQ on the 8th of June at Bunnings – We would love to see you there, 9am onwards. All proceeds go back into the club. Any offers of Help appreciated

Just a follow-up from our fee charges in last months' Newsletter. Please note that the late payment will be incurred if fees have not been paid on the last class day month end for March, June and September. BUT ALSO PLEASE NOTE THAT PARENTS WHO ARE EXPERIENCING TROUBLE IN PAYMENTS, PLEASE SEE YOUR DUTY MUMS – WE ARE GLAD TO HELP OUT IN ANYWAY

We have an award that is presented at the Presentation Night called the **JEAN NASH AWARD**: During the course of the year all coaches in the Sub-Junior and Intermediate sections give votes each week.

The votes are then tallied at the end of the year and are based on the following:-

- Consistency over the whole year
- Interaction with all team members
- Relationship with coaches (eg, listening well, taking corrections well)
- Work, performance and effort in all items for the whole of class time
- Overall behaviour
- Attendance

This award is given to any member of each section regardless of the team they are in – it is NOT ability based.

SOLO GIRLS – Please make sure your registrations, entry fees and costumes are now paid up. Comps are fast approaching. Also please make sure that you check in the folder on the table in the mums room for your relative forms. It is your duty to send off the paperwork when completed. Please see Debbie O'Shannessy if you have any problems.
