## ***OUR TEACHERS’ REPORTS ARE AS FOLLOWS:-***

### **Tinies Report 2001**

We started our year full of excitement in having 25 (3 teams) little tinies beginning their callisthenics career. After a few weeks everyone was working well and getting along famously, looking forward to a great year ahead. And What a Year It Was.

After a few weeks our 3 teams of tinies dwindled to 22 wonderfully strong tines. After having a few set backs regarding girls having holidays during competitions, we actually had the best year ever.

A highlight and a very proud moment for Sharon and myself was when the Tinies became **State Champions** at CVI again this year, winning 3 out of the 4 items they were in. Sharon’s team enjoyed great success in winning rods and a second place for exercises. This was the first time that CVI had a split section and we really enjoyed this momentous decision. We were very proud of our little girls performances, but we were lucky to have such wonderful support from our 2 assistants Abby Bernard and Lauren O’Neil.

A BIG thank you to Liz Reed for being a caring Duty Mum, as well as all our lovely Mums who became such a tight knit group and gave Sharon and myself such support throughout the year. It gives me great pleasure to see little girls turn from beautiful caterpillars into exquisite butterflies throughout the year.

Thank you to my 22 lovely butterflies for such a wonderful 2001 year.

#### **Report for other sections 2001**

2001 was another successful year for all the other sections. The **Sub-Juniors** started off as a very young group, but as the year progressed they improved out of sight and with perfect timing they were runners up at South Street.

**Juniors** were a group of 16 girls who worked very hard all year, gaining 2 aggregate wins and 2 runners-up in Division 1

**Inter** were against an extremely high standard of competition in Division 1. They performed brilliantly and consistently at all competitions, culminating in being runners up at South Street.

**Seniors** were a very strong team of 10 girls who won the aggregate at all competitions, winning 7 out of 8 items at the CVI Championships and who have been rewarded by being put up two divisions to Division 1 in 2002

Our many thanks go to Cheryl, Kerrie, Rhonda, Kerrie, Emma and Shandell for all their help and support.

We also thank the committee and mothers for all their hard work and commitment to make Geelong Calisthenics College the best club in Geelong.
