

Dear Former **Green Machiner**,

We hope this letter finds you and your family in good health. Students in Geneseo at this time are gearing up for another year of school, and of course that means in a short time many young men in Geneseo will be taking to the practice fields in preparation for the 2006 football season. At the mention of this we are guessing that all of the former "**Green Machiners**" can hear the sounds of whistles blowing and the yelling of encouragement from coaches. You can probably smell the fragrance of freshly mowed grass and the aroma of rows and rows of field corn. Maybe you can still feel the sweat rolling down your face and the burning of your muscles after another sprint up "the boards." Ahh yes... the wonderful memories of "two-a-days", which for this year's version of the **Green Machine** is just around the corner. These memories are the bond that is shared by the hundreds of men that created and participated in the great tradition of Geneseo football.

Three years ago the Geneseo Football Booster club was created to support the football program and assist in any way possible. The first three years have been a huge success and with your help, year number four can be even better. The majority of our revenue comes from fundraisers such as the Hog Roast and memberships dues. We are currently in a drive to increase the number of active memberships, which now stands at 199. All money is spent enhancing the football program, **5th grade through 12th grade**.

Our credo is "How can we help?" and listed below are some of the past enhancements by the Geneseo Football Booster Club:

- Funded the "**Green Machine** Excellence Program" which provides awards & banquets for the 8th grade, freshman, sophomore, and varsity squads
- Financial contributions to Kitchen Quarterback Club, Youth Football, Fellowship of Christian Athletes for video tapes produced by Dan Pearson, for the Varsity Football players and the high school cheerleaders
- Two installments for new weight room equipment
- Meals for away games for players
- Scouting Laptop & Video Camera
- Provided manual and financial help to level and sod football field
- Contributed to help players pay for the off season strength & conditioning program (spring & summer)
- Contributed to Geneseo Activity Center building fund

Future projects include:

- Raise funding for 2006 projects
- Funding of an academic mentoring program.(requested by Coach Johnsen for academic achievements)
- Help fund football camps

The continued success of the Geneseo Football Booster Club depends on the support of its members. Memberships run from July 1st – June 30th. Please take a moment to join. You can follow the "**Green Machine**" online at geneseofootball.com.

Thank You,
Geneseo
